Handleiding:	Add RSS feed to Mozilla Firefox

Open Mozilla Firefox and browse to:  
<http://www.rug.nl/cit/servicedesk/onderhoud/index!rss> or  
<http://www.rug.nl/cit/servicedesk/storingen/index!rss> The following screen will appear:

Click on **Subscribe Now** and the following screen will appear:

*As a standard all the feeds will be added to the Bookmarks Toolbar Folder, through use of the selection menu found under the dropdown list you can personally select a location to place this feed.*

Choose a location where the feed should be saved and afterwards click on **Subscribe**

After the default settings have been chosen the feed will be displayed in the Bookmarks Toolbar Folder as shown above.
