How to apply for a pre-master:

**Step 1:**

Contact the faculty and inform how many credits you need to do within the pre-master. Also arrange that you will be accepted by filling in a *verklaring toelating pre-master* (VTP) and provide them with additional documents like copy of pre-education.

**Step 2:**

Make a new enrolment request on [www.studielink.nl](http://www.studielink.nl) for the pre-master.

**Step 3:**

Make sure you select the right academic year, the *Bachelor* at type of study and be aware you select you DON’T start in the first year. (Authorization will take place by VTP).
Step 4:

Select the right pre-master program by selecting the program with (pre-master) behind the name.

Step 5:

Complete the rest of the enrolment request by selecting the right starting date and confirm the request. Also select the amount of credits you need to do.

**How many ECTS is your programme?**
- 15 ECTS
- 30 ECTS
- 45 ECTS
- 60 ECTS

*Upon admission the variant that is applicable to you will be determined. In case the determined variant differs from the one selected here, this selection may lead to an incorrect rate.*

Step 6:

Fill in your bank account details and select the way you want to pay. Also select if you want to pay in instalments or at once. Check your to-do list on Studielink!

Step 7:

Please confirm the direct debit mandate as soon as possible. Make sure you confirm this before the month you want to be enrolled otherwise we are not able to complete the enrolment.

Step 8:

When we’ve received your payment confirmation and the VTP form of the faculty we will enroll you. You will get a confirmation email of enrolment by Studielink.

Step 9:

Enjoy studying!
