SEMINAR SERIES

Health & human rights on the ground

How do you *actually* apply the right to health on the ground? The Danish Institute for Human Rights is developing the AAAQ Toolbox – an innovative assessment tool that offers practical guidance for state, business and civil society actors.

Senior advisor Mads Holst Jensen PhD and researcher Lena Kähler MSc will share their experiences working with a variety of actors including pharmaceutical companies to translate the right to health from principles into action on the ground.

29 MAY 2015 15:00 – 17:00

Venue: Van Swinderen Huys,
Oude Boteringestraat, Club Lounge

Registration (free): in advance with
Ms. Esther Knot (email stair@rug.nl)
