Introduction

Article 2a of the Higher Education and Research Act (WHW) relates to the Graduation Fund (*Profileringsfonds*) and contains regulations concerning financial support for students who incur study delay due to extraordinary circumstances. (Stb.2010, 119).

The Board of the University approved the regulations set out below concerning the granting of financial support on the basis of these legal regulations after approval by the University Council on 2 July 2020.

These Regulations apply to requests for the 2020-2021 academic year. Requests submitted by students whose committee year does not coincide with the academic year are subject to the regulations of the academic year in which the majority of the months of the board year fall.

Appendix 1 to these Regulations sets out the procedure for inclusion in the Graduation Fund for student organizations with University of Groningen students as members and student organizations with students of both the University of Groningen and the Hanze University of Applied Sciences Groningen as members.

The Board of the University can issue a ‘certificate of participation’ as proof of participation to students who have been granted a committee or consultative body grant from the Graduation Fund.
