Section 4 Examinations and final assessment of the degree programme; general provisions

Article 4.1 – Board of Examiners and examiners

1. The Board of Examiners is the independent body that determines whether individual students have the knowledge, understanding and skills required to be awarded a degree.
2. The Faculty Board appoints the members of the Board of Examiners on the basis of their expertise in the field of the degree programme (or cluster of degree programmes) in question.
3. The Board of Examiners will appoint examiners to set examinations and determine the results.
4. The Board of Examiners will draw up the Rules and Regulations for the Board of Examiners.

Article 4.2 – Assessment Plan

The Assessment Plan approved by the Faculty Board is part of the OER of each degree programme. The Assessment Plan comprises the following:

1. the learning outcomes of the degree programme
2. the course units of the degree programme with their student workload in ETCS, and the learning outcomes of each course unit
3. the relationship between course units and learning outcomes
4. the mode of assessment used and the assessment moments for each course unit
5. the test design and assessment procedures and assessment criteria used
6. the right of inspection
7. a list of who is responsible for the implementation of the various components of the assessment policy
8. the manner of regular evaluation.

Article 4.3 – Examination; general

1. Every course unit has a related examination.
2. An examination can comprise a number of partial exams. The results of these partial exams together determine the examination result.
3. Examinations, both interim and final, provide students with the information they need to assess whether they have attained or will attain the required learning outcomes.
4. The results of an examination are given as pass or fail, in numbers on a scale of 1 to 10, expressed as 6/5.5 or more for a pass and 5/5.4 or lower for a fail.
5. *If a student has completed all the compulsory parts of a course unit to the best of his or her ability but has still not passed, then he or she will be given the opportunity to take a supplementary or replacement test.*

Article 4.4 – Compulsory order of examinations

The examinations for the course units listed below may not be taken until after the examinations for the associated course units have been passed:

- after has been passed*
- after and have been passed*
- after has been passed*
- after and have been passed, etc.*

Article 4.5 – Examination frequency and periods

1. a. A student who registers for a course unit is automatically registered for the examination for that course unit.

b. Notwithstanding the provisions of Article 4.5.a, students can register and deregister for examinations during certain periods to be further defined.
c. There will be no more than two opportunities a year to sit examinations. For partial examinations, one resit for all partial examinations together may be opted for.
2. The periods in which examinations can be sat are listed in the Student Handbook and/or OCASYS. Partial exams can also be taken outside the period indicated.
3. *Notwithstanding the provisions of Article 4.5.1, there will be only one opportunity in a given year to take the examination for a course unit not taught in that year.*
4. *Students may resit an examination for a course unit that is no longer offered at least twice during the first year after it has been removed from the curriculum.*
5. *If a student has completed all the compulsory parts of a course unit to the best of his or her ability but has still not passed, then the examiner may give him or her the opportunity to take a supplementary or replacement test.*

Article 4.6 – Assessment of placement/internship or research assignment

The assessment of a placement or research assignment will be conducted by the on-site supervisor and the original commissioner, who will be appointed as examiners by the Board of Examiners.

Article 4.7 – Form of examinations

1. Examinations will be taken in the manner stated in OCASYS.
2. *At the student's request, the Board of Examiners may allow an examination to be taken in a form different from that stated in Article 4.7.1.*
3. Mock versions of each examination will be made available to practise with.

Article 4.8 – Oral examinations

1. Unless the Board of Examiners decides otherwise, an oral examination may only be taken by one student at a time. *A second examiner may attend the oral exam at the request of the student and/or the examiner.*
2. Oral examinations are public, unless the Board of Examiners or the examiner stipulates otherwise or the student objects to the public nature of the examination.

Article 4.9 – Marking of examinations and publication of marks

1. After an oral examination, the examiner will assess the examination immediately and provide the student with a statement upon request.
2. The examiner will mark a written examination within ten working days of the day on which it was taken, and will provide the Faculty's administration department with the necessary details for registration of the result in ProgRESS.
3. If an examination is taken in a form other than oral or written, the Board of Examiners will determine in advance how and when students will receive written confirmation of the result.
4. Students can lodge an appeal against the results of an examination with the Central Portal for the Legal Protection of Student Rights (CLRS) within 6 weeks of the date on which the result was announced

Article 4.10 Validity of course units

1. Completed course units remain valid indefinitely.
2. a. *Contrary to the provisions of Article 7.15.1, the Board of Examiners may decide that the validity of a course unit is limited. The Board of Examiners can only decide that a course unit is no longer valid if a student's skills and knowledge are demonstrably outdated. In such cases the Board of Examiners may decide to require that student to take a supplementary or substitute examination before allowing him or her to progress to the final assessment.*
b. *In the event of extraordinary personal circumstances, the term of validity will be extended to include the period during which the student in question receives support from the Graduation Fund.*
3. *Partial examinations and assignments passed within a course unit that has not been successfully completed will lapse at the end of the academic year in which they were passed.*

Article 4.11 – Right of inspection

1. On request, students have the right to inspect their marked work during a period of at least six weeks after the results of a written examination have been made known. If students make use of this opportunity, they will be provided with a copy of their work at cost price at their request.
2. Within the time frame stipulated in Article 4.11.1, any interested person may request that they be allowed to peruse the examination paper and, if possible, the assessment criteria.
3. *The Board of Examiners can determine that this inspection or perusal will take place at a certain place and at two set times at least. If the person concerned can show that they were prevented by force*

majeure from attending at the indicated places and times, they will be offered another opportunity, if possible within the period stated in Article 4.11.1.

Article 4.12 – Thesis

1. A thesis can in principle only be used for one University of Groningen degree programme. Full or partial exemptions for a degree programme's thesis may be granted by the Board of Examiners based on a thesis written for another degree programme.
2. Theses are stored by the Faculty Board for a period of at least 7 years.
3. *Students will be given the opportunity to write a final-year thesis at least twice per academic year.*
4. *The period(s) during which students can write theses will be published in the Student Handbook and/or OCASYS.*
5. *If by the end of the period referred to in Article 4.12.4 the assessor(s) is/are of the opinion that the thesis cannot be awarded a pass mark, the student will be given one opportunity to remedy the work in order to be awarded a pass mark of 6/5.5 within a time frame defined by the degree programme.*
6. *The Board of Examiners is the only body that can deviate from the provisions of Article 4.12 at the written request of a student.*

Article 4.13 Degree

A student who has satisfied all the requirements of the final assessment will be awarded the degree of 'Master of.....'.

The degree awarded will be indicated on the degree certificate.

Article 4.14 – Honours ('Cum Laude'/'Summa Cum Laude')

1. The Board of Examiners will determine whether or not the Master's degree certificate will be awarded an honours predicate.
2. The following conditions apply:
 - a) *The mark for the thesis must satisfy the following minimum conditions:*
 - 'Cum laude': *the mark for the thesis must be at least 8.0*
 - 'Summa cum laude': *the mark for the thesis must be at least 9.0*
 - b) *The weighted average (not rounded off) for all course units, excluding the thesis, within the examination programme approved by the Board of Examiners is*
 - *greater than or equal to 8.0 for 'Cum laude'*
 - *greater than or equal to 9.0 for 'Summa cum laude'.*
3. No honours are awarded if the student workload of the exemptions in ECTS credit points amounts to more than half the total number of ECTS for the degree programme. This stipulation does not apply to Double Degree programmes.
4. Honours may only be awarded if the examinations for the course units were taken only once.
5. Honours may only be awarded if no single course unit was awarded a mark lower than 7.0.
6. In certain circumstances, the Board of Examiners may depart from the provisions set out in Articles 7.13.2-5.

Article 4.15 – Final assessment

1. The degree programme is concluded with a final assessment.
2. a. On the condition that the student's study programme has been approved, the Board of Examiners will determine the result of the final assessment as soon as the student has passed all the required examinations. The Board of Examiners may define terms to this end.
The result of the final assessment indicates that the student has acquired the necessary academic training. The Board of Examiners will issue a degree certificate indicating this.

b. If a student fails to meet the relevant deadlines for approval of the study programme referred to under a, the Board of Examiners may postpone the student's graduation date. This date may be in the academic year following the year in which the last examination was passed.
3. Before the result of the final assessment can be determined, the Board of Examiners may decide to test the student's knowledge of one or more course units or components of the degree programme, if and inasmuch as the marks for the relevant examinations provide a reason for doing so.
4. By determining the result of the final assessment, the Board of Examiners also commits itself to a speedy processing of the degree certificate ceremony.
5. If a student wishes to postpone the date of graduation due to extra examinations that still need to be taken, he or she must submit a request to this end to the Board of Examiners in good time.
6. The graduation date is the date on which the final assessment is passed, as determined by the Board of Examiners in accordance with the provisions of Article 4.15.2, and not the date on which the degree certificate is presented to the student.
7. The successfully passed final assessment as referred to in Article 4.15.1, and all assignments submitted within the framework of this assessment, will be kept on file by the Faculty Board for a period of at least 7 years.

Section 5 Examinations and final assessment of the degree programme; specific provisions

Article 5.1 – Examination provisions in special circumstances

1. If not granting a student an individual examination provision would lead to an ‘exceptional instance of unfairness of overriding nature’, the Board of Examiners may decide to grant such a provision contrary to the stipulations of Article 4.5.
2. Requests for individual examination provisions, including documentary evidence, must be submitted to the Board of Examiners as soon as possible.

Article 5.2 – Examinations and functional impairments

1. Students with a functional impairment will be given the opportunity to take examinations in a form that will compensate as far as possible for their individual disability. If necessary, the Board of Examiners will seek expert advice from a student counsellor of the Student Service Centre (SSC) before making a decision.
2. With regard to examinations for electives taken by students with a functional impairment, the Board of Examiners of the degree programme that sets the examination will comply with the facilities permitted by the Board of Examiners of the degree programme for which the student is registered.

Article 5.3 – Exemptions

1. At the student’s request, the Board of Examiners, having discussed the matter with the examiner in question, may grant exemption from an examination on condition that the student:
 - a. has completed part of a university or higher vocational degree in the Netherlands or abroad that is equivalent in content and level
 - b. can demonstrate by work experience that he/she has sufficient knowledge and skills with respect to the course unit in question.

The validity period of exemptions granted for course units or parts thereof is identical to that for examination results.

Article 5.4 – Request for additional resit

1. Students may submit a request for an additional resit to the Board of Examiners.
2. Such a request may be granted *if the student in question failed the relevant exam due to extraordinary circumstances and if not granting the request for an additional resit would result in unacceptable study delay.*
3. The following criteria apply to granting a request for an additional resit for the last course unit in the degree programme:
 - it must be the last examination result needed
 - *not granting the request would result in study delay of at least one semester*
 - *the examinee must have participated in the last two regular exam opportunities for the course unit in question and have gained at least a mark 4 and a mark 5.*

Article 5.5 – Authority of the Board of Examiners regarding electives offered by other degree programmes

1. A request to take an elective at another degree programme must be approved by the Board of Examiners of the student's own degree programme.
2. The Board of Examiners of the other degree programme is authorized to set and assess the examinations and decide upon requests for alternative exam regulations.

Article 5.6 – Open Degree Programme

1. Students may choose to follow a degree programme's Open Degree Programme, which deviates from the regular specialization(s) of the degree programme. An Open Degree Programme must always be approved in advance by the Board of Examiners of the degree programme in which the student is registered.
2. *The following additional requirements apply to Open Degree Programmes...*

Article 5.7 – Cheating and plagiarism

1. Cheating is an act or omission by a student designed to partly or wholly hinder the forming of a correct assessment of his own or someone else's knowledge, understanding and skills.
1. Cheating is an act or omission by a student designed to partly or wholly hinder the forming of a correct assessment of his own or someone else's knowledge, understanding and skills.
2. Committing plagiarism falls under the concept of cheating. Plagiarism is the copying of someone else's or your own work, insights and skills without correctly referencing the source.
3. If a student cheats, the Board of Examiners may exclude that student from participation in one or more examinations or final assessments for a maximum of one year.
4. In the event of serious cheating, the Board of Examiners can advise the Board of the University to permanently terminate a student's registration in the degree programme.
5. The Board of Examiners sets out its course of action in the event of cheating in its Rules and Regulations.

Article 5.8 – Invalid examination

In the event of irregularities with regard to an examination that are so serious that an accurate assessment of the examinee's knowledge, understanding and skills cannot be made, the Board of Examiners may declare the examination invalid for either an individual examinee or a group of examinees. *The stipulations in the Rules and Regulations of the Board of Examiners also apply.*

Article 5.9 – Course units completed elsewhere

1. A Master's degree can only be awarded if at least *half/two-thirds* of the course units of the degree programme were offered by *the University of Groningen/the Faculty/the degree programme* during the student's period of registration as a student at the University of Groningen.
2.
 - a. For Double Degree Master's degree programmes offered together with an institution abroad, at least one quarter (*or more*) of the programme must have been followed at *the University of Groningen/the Faculty/the degree programme* during the student's period of registration as a student at the University of Groningen.
 - b. *the stipulations in article 4.12.1 with regard to the thesis must be observed.*

Article 5.10 – Termination of registration (*Iudicium Abeundi*)

1. In extraordinary cases of reprehensible behaviour or statements made by a student, the Board of the University may, on the recommendation of the Board of Examiners or the Faculty Board, terminate that student's registration.
2. The Board of the University will not make a decision as referred to in Article 5.10.1 until after the student in question has been given the opportunity to respond to the proposed decision, the interests of the student and the institution have been carefully assessed, and it is reasonable to assume that the student's behaviour or statements prove him/her unsuitable for one or more of the professions for which he/she is being trained in his/her degree programme, or for the practical preparation for the profession. In such cases, the Faculty Board, the Board of Examiners and the Board of the University will follow the *Protocol Iudicium Abeundi* [protocol for termination of registration] as approved by the *Nederlandse Federatie van Universitaire Medische Centra* [Netherlands Federation of University Medical Centres] on 1 November 2010.
3. The stipulations in the University of Groningen Regulations for Registration and Tuition Fees 2019-2020 apply.

Section 6 Study progress supervision

Article 6.1 – Study progress administration

1. The Faculty Board will register individual results for students.
2. The Faculty Board will provide each student with an overview of his or her results at least once a year.

Article 6.2 Study progress supervision

The Faculty Board will organize the introduction and the study progress supervision of students enrolled in the degree programme, partly to facilitate their progress and also with a view to identifying potential study options within and outside the degree programme.

Section 7 Transitional and final provisions

Article 7.1 – Amendments

1. Any amendments to Part B of these Regulations will, following a recommendation by and/or upon the approval of the Programme Committee and the Faculty Council, be confirmed by the Faculty Board in a separate decree.
2. Any amendments to these Regulations will not apply to the current academic year, unless it may reasonably be assumed that the amendment in question will not harm the interests of students.
3. In addition, an amendment may not influence any other decision concerning a student taken by the Board of Examiners under these Regulations to the detriment of students.

Article 7.2 Publication

1. The Faculty Board will duly publish these Regulations as well as any amendments to them.
2. *Copies of these Teaching and Examination Regulations are available from the Faculty Office.* These documents can also be found on the Faculty website through the Student Portal.

Article 7.3 – Evaluation

- a. The Faculty Board will ensure that the OER is regularly evaluated, assessing at least – for the purpose of monitoring and if necessary adapting the student workload – the amount of time students need to complete their tasks as set out therein.
- b. The Faculty Board evaluates the teaching in the ... degree programme as follows:

Article 7.4 – Date of commencement

These Regulations will take effect on 1 September 2019.
