The Teaching Academy Groningen welcomes the Academic Leader and the Community of Expertise Leaders

The Teaching Academy Groningen (TAG) is proud to introduce the Academic Leader and the Community of Expertise Leaders:

Academic Leader:

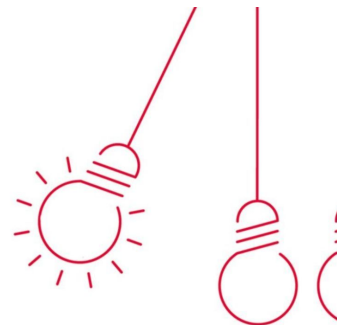

- Dr. M. (Mellie) Pullman

Community of Expertise Leaders (*alphabetically*):

- Dr. A. (Adriana) Mattos Pinto
- Drs. ing. B.S. (Bas) Baalmans
- Dr. L. (Liga) Klavina
- Dr. O. (Oksana) Kavatsyuk

The Academic Leader and the Community of Expertise Leaders

are a diverse group of lecturers with backgrounds in economics and business, social and behavioral sciences, science and engineering and IT. With their inspiring view on teaching and learning and their passion for teaching, these enthusiastic lecturers will help to shape the mission, objectives and activities of the Teaching Academy Groningen. In the initial phase the focus will be building up communities of expertise themed around blended learning, inclusion and diversity and interdisciplinary education for employability, lifelong learning and citizenship.

Education Festival

The themes of the communities of expertise will naturally also play an important role in a key activity organized by the TAG: the Education Festival that will take place from 19 to 23 April. [Save the date!](#)
