Travel policy

I have an on-site appointment. Is it necessary to travel there?

No

I will attend the appointment remotely. For example, via a video conference.

Yes

I will travel there

Is the journey shorter than 500 km or less than 6 hours away by train?

Yes

I'll take the train

No

I can take a flight there

Did you know that the RUG has video conference facilities, such as special rooms or the provision of on-site equipment?

In some cases, you may also choose to travel by electric car, for example if you are travelling with multiple people.

In order to make a good comparison in terms of travel time, it is also important to bear in mind the travel time surrounding the flight. The travel time by aeroplane includes the duration of the flight + 2 hours (the journey to the airport, check-in time and transfer time). In some cases, the train journey may well be quicker or at least as fast as the journey by aeroplane. Please consider this when deciding on travel options.
