Dual Career Support

Information for your partner

What is Dual Career Support?

Dual Career Support (DCS) assists partners of new staff in building up a new social network and in seeking employment, an internship, voluntary work or further study opportunities in Groningen. Employment is not guaranteed, but we will assist you in the entire (re)orientation and job search process.

Eligibility

Spouse or partners of new UG staff who moved with their partner to Groningen and have lived here for less than two years.

What does DCS entail?

- > Meeting other partners, making friends and sharing experiences.
- > Learning from our Dual Career workshops to further your work ambitions, building up your Dutch professional network, seeking employment, internship or voluntary work
- > Enjoying cultural and social events such as city tours or dinners and borrels
- > Individual career support for partners of new academic staff with an appointment of more than two years
