

University of Groningen Graduation Fund Regulations 2018-2019

Part E Financial support for talented non-EEA students

Article 1. Definitions

UG: University of Groningen.

Student: A person enrolled as a student in a degree programme at the University of Groningen.

WSF 2000: *Wet studiefinanciering 2000* (Student Finance Act 2000).

All other terms used in these regulations will have the meaning that the Act ascribes to them.

Article 1. Conditions

A talented student who is not a member of one of the groups set out in Article 2.2 of the Student Finance Act 2000 and does not have Surinamese nationality is eligible for financial support in the form of a 'knowledge grant' if:

- a. he/she resides in the Netherlands, Belgium, Luxembourg or one of the following states of the Federal Republic of Germany: North Rhine-Westphalia, Lower Saxony or Bremen
- b. and meets the criteria set by the faculty in question for eligibility for a 'knowledge grant'.

Article 2. Request for financial support

1. Students must contact the Board of the relevant faculty to request financial support.
2. Each faculty has its own request procedure and the amount of financial support may vary.

Article 3. Date of commencement and validity

These regulations will take effect on 1 September 2018 and will remain in force until 1 September 2019.

Article 4. Citation and publication of these regulations

1. These regulations may be cited as: 'University of Groningen Graduation Fund Regulations 2018-2019', possibly with the addition of 'Part E: Financial support for talented non-EEA students'.
2. These regulations have been sent to the Faculty Boards for reference, published on the internet and included as an appendix in the Students' Charter.

Groningen, June 4th, 2018

the Board of the University
