2022-2023 Colloquium Doctum University College Fryslan

A colloquium doctum is a special entrance examination for prospective students who do not have a certificate that grants direct access to a Bachelor’s degree programme. At the start of the degree programme, you must be 21 years or older.

If you are holder of a diploma issued outside the Netherlands that provides admission to study at an institution of higher education in your home country but you cannot submit certificates the age limit may also vary. These are special cases and will be assessed on an individual basis.

Colloquium Doctum requirements UCF

- VWO English average final grade of 7 or higher
- VWO Wiskunde A, B or C with a passing grade
- One hard science (VWO Biology, Chemistry or Physics) with a passing grade
- One other VWO subject (which is not a language) with a passing grade

Admissions procedure:

- Apply for the BSc programme before May 1st* through Studielink and choose ‘Colloquium Doctum’ as previous education.

- The Admissions Board decides, based on the previous education, Which exams you need to take.

- You take the required exams.
