Accessibility Groningen
There are many roadworks in and around Groningen to increase the accessibility of the city. Please check https://www.groningenbereikbaar.nl/en for the current situation. We strongly advise you to take your time and make use of public transport. If you do come by car, it is good to know that you cannot easily access the city centre by car, and parking is not free of charge. A much easier and cheaper option is to use one of the five Park & Rides surrounding the city centre. If you download a free open day bus ticket via www.ontdekhetov.nl/rug2020 beforehand, you can continue by bus to all of our venues without further costs.

Park & Rides
Groningen has five Park & Rides. Signs along the entry routes to the inner city direct you to the nearest P+R. Also see the Circular Road Groningen map.
- P+R Kardinge, Kardingerplein 1, 880 spaces
- P+R Hoogkerk A7, Groningerweg, 1,000 spaces
- P+R Reitdiep, Reitdiephaven, 300 spaces
- P+R Haren A28, Emmalaan 35 Haren, 635 spaces
- P+R Meerstad, Driebondsweg, 400 spaces

You can park for free on all sites and from there take the P+R Bus (Q-link). Buses are free of charge if you download one free open day bus ticket per person via www.ontdekhetov.nl/rug2020. Otherwise you pay € 6.00 for a return trip, on the same day, for a ticket valid for a maximum of 5 people. You can buy such a ticket either at the ticket machine on the P+R site or directly from the bus driver. Note: you can only pay by card! For more information, please check https://gemeente.groningen.nl/parking.
