

Please note: if you apply on the basis of a Dutch VWO diploma, the below-mentioned requirements do not apply to you.

English-taught bachelor

- **BSc Medicine - Global Health** (maximum 110 places available for both Dutch and international students – depending on the division of preferences for Learning Communities)

For the English-taught Learning Community of the BSc Medicine, candidates must provide adequate evidence of proficiency in English. We accept the following tests:

IELTS (Academic)	6.5 - minimum score of 6.0 on each section
TOEFL IBT (internet-based test)	92 - minimum score of 21 on each section
Cambridge English Qualifications General and higher education	Advanced (CAE) C1 Advanced Proficiency (CPE) C2 Proficiency

Please keep in mind

- The test scores *cannot* be older than two years (except for the Cambridge English certificates).
- The modality required is 'academic'.
- You may apply for a degree programme while you have not yet taken an English test or while your test score is still insufficient. Should you be admitted, then your admission will be conditional with (one of) the condition(s) for final admission being that you take and pass a (new) test. Please inform the Admissions Office of the date on which you are planning to take such a test.
- We do not accept institutional TOEFL tests.
- TOEFL MyBest Scores are not considered in the Admissions procedure.

Exemptions

You are only exempted from proving your proficiency in English, if you:

- have completed/will complete your secondary education or a Bachelor's programme in one of the following countries: USA, UK, Ireland, New Zealand, Australia, Canada (English speaking provinces/territories), Antigua and Barbuda, The Bahamas, Barbados, Belize, Grenada, Guyana, Jamaica, Trinidad and Tobago, St Kitts and Nevis, St Lucia and St Vincent and the Grenadines;
- apply on the basis of at least 3 (to be obtained) GCE A-level certificates from one of the British examination boards;
- apply on the basis of a(n) (to be obtained) International Baccalaureate diploma, with English as the medium of instruction;
- apply on the basis of a (to be obtained) European Baccalaureate diploma from the European Schools Organization and have (completed) English as an L1 or L2 subject;
- apply on the basis of at least 60 ECTS (to be obtained) from an English-taught Bachelor's degree programme in the Netherlands;
