Part one: Before you arrive
Congratulations on being admitted to study at the University of Groningen. We’re delighted to have you on board and you’ll be joining others who have chosen to study at one of the world’s top 100 universities. Deciding to study abroad is an exciting experience and we know that you will have many questions about what to do next. This guide will hopefully answer some of these questions and help you plan your journey to the UG.

Please ensure that you read each section carefully and complete the checklists we have provided to help you. Links to key university services and other important information are included throughout the guide.

If you have any questions, you can check www.rug.nl/admitted or email us at study@rug.nl.

For more information and updates about the effects of the COVID-19 pandemic in the Netherlands and at the University of Groningen, please visit: www.rug.nl/corona
### This checklist will help you to organise your arrival at the UG.

**1 Offer**
Receive an offer from the University of Groningen.

**2 Supporting documents**
Provide relevant documents to meet the conditions of your offer. See page 5.

**3 Money**
- Planning the finance for your studies and life in the Netherlands. See page 6
- Travel and visa costs
- Tuition fees
- Accommodation costs
- Living costs (food, clothing)
- Study costs (e.g. books, IT essentials)
- Extras (unexpected expenses)

**4 Immigration**
Make sure you meet the immigration requirements (if relevant). See page 9.

**5 Accommodation**
Apply for accommodation through the University partner SSH. See page 10.

**6 Health Insurance**
Arrange the correct health insurance to cover the duration of your studies. See page 15.

**7 Follow us on Facebook, and Instagram and Youtube**
- University of Groningen
- universityofgroningen
- University of Groningen

**8 Pack**
Follow a packing list to ensure you pack only what you need.

**9 Travel to the UG/Airport Meet and Greet**
Make travel arrangements that ensure your arrival during the recommended arrival period.

---

### In my check-in luggage

1. Do not pack items that are prohibited in the Netherlands.
2. Pack something that reminds you of your family, friends and home country.
3. Essential items of clothing.
4. Electrical equipment:
   - laptop/tablet, charger
   - mobile phone, charger
   - power adapter (if necessary).

---

### In my carry-on

1. My passport and all travel documents.
2. My student visa (if applicable).
4. My tuition fee receipt (if fees have already been paid), and/or a letter confirming I’ve been awarded a scholarship.
5. Details of my accommodation.
6. Any relevant medical certificates showing recent vaccinations.
7. Copies of information about prescription medicines from my doctor in English (if necessary).
8. My driver’s licence translated into English (if I have one and intend to drive a vehicle).
9. Contact numbers for my family and friends, including emergency contact details.
10. Contact numbers for my insurance company, home bank and for the University.
The offer you have received is based on the admission status that you currently hold. There are three types of offers: conditional offers, provisional offers and unconditional offers.

Conditional offers

These are for applicants who have yet to fulfil one or more of the admission requirements. In order to be fully admitted and receive an unconditional offer, you will have to satisfy the conditions for admission to your selected programme. This will need to be done before the deadline that is stated in your offer letter. For example, having a conditional offer pending receipt of a sufficient English proficiency test. Once you have successfully passed and achieved the required results for the test, you must contact your Admissions Officer. The Admissions Officer in charge will subsequently change your admission status.

Unconditional offers

You will have fulfilled all the admissions requirements as well as provided your Admissions Officer with certified documents. You will also have received an unconditional offer as well as a Decree of Admission (final unconditional statement). This statement is used to complete your University enrolment.

Accepting your offer

You will need to sign and return your confirmation of participation form to confirm/accept your place*. The confirmation of participation form is the second page of your offer letter.

Deferring your offer

If you are unable to start in the academic year that you have applied for, you are of course more than welcome to apply for the following academic year. We are formally not allowed to offer deferrals, seeing as it is possible that entry requirements might change from year to year. Assuming the entry requirements will stay the same as this year, you can rest assured that you will be admitted to the programme again. Please contact your Admissions Officer for further information.

Provisional offers

Once you have fulfilled all the entry requirements to your selected programme, you can be provisionally admitted. A provisional offer is pending receipt of certified documents (hard copies).

Status enrollment application

As of this academic year, applicants have the possibility to check their enrollment application status in real time! You can, as soon as you receive an account from us, monitor your application status in the Progress Portal. If there are still tasks to be completed, the portal will show you how to complete your registration.

* not applicable for numerus fixus programmes.
Planning your finances

The cost of living in the north of the Netherlands is lower than in other parts of the country such as Utrecht and Amsterdam. It is essential that you make sure you have enough money to cover your study and living costs while at the UG. You should plan your finances well in advance of your arrival as it can be difficult to arrange funding after you have started your programme.

Some jobs will require communication in the Dutch language. There are, however, a number of shops, bars and cafes which hire non-Dutch speaking students. If you are a non-EU/EEA passport holder, you will need a permit sponsored by your employer before you can work legally.

If you are a non-EU/EEA student and wish to look for a student job in the Netherlands, there are a number of things you should know.

- If you hold a residence permit (VVR) as a student, you are only allowed to work in the Netherlands if your prospective employer requests a work permit (called TWV). It is the employer who makes the request at UWV.

In addition, you are only allowed to work for a maximum of 16 hours per week or you may do seasonal labour during the months of June, July and August. In both cases, the employer must have applied for a work permit.

- If an internship is a compulsory part of your study programme, your employer is not required to apply for a TWV. Instead you, your employer and your educational institution will need to set up and sign an internship agreement.

You will need to budget for
- Tuition fees
- Accommodation costs
- Living costs (e.g. food, clothing)
- Study costs (e.g. books, IT essentials)
- Travel and visa costs
- Extras (unexpected expenses)

Monthly estimates of cost of living in Groningen.
Leeuwarden is likely to be roughly €100 cheaper.

Non-EU/EEA Fees

Standard tuition fees for new Bachelor’s and Master’s non-EU/EEA students for 2020/2021 can be found here. These annual tuition fees are valid for the duration of your programme of study but are always clarify the costs on your Letter of Admission.

EU/EEA Fees

Tuition fees are the same for Dutch and European Union students (European Economic Area: all EU countries + Norway, Switzerland, Liechtenstein and Iceland). These annual tuition fees are valid for the duration of your programme of study but are always clarify the costs on your Letter of Admission.

NOTE: The Dutch government has halved the statutory tuition fees for specific groups of first-year Bachelor’s students starting their studies in 2021-2022 academic year. This will apply only to first-year EU/EEA passport holders. More information can be found here.
Payment of tuition fees

There are a number of different ways for you to pay your tuition fees and you can indicate your preferred payment method via Studielink. You need to make sure that you pay your tuition fees before the start of your degree programme, as you are not allowed to enrol if you have not met your financial obligations.

The University of Groningen will notify you about paying your tuition fees. Please note that this notification does not mean that you are officially enrolled at the University as you will be notified of that separately.

Direct debit payment
You can authorize the University to debit your account for the full amount (collected in the last week of September), but you can also opt for staggered payment in five instalments. The instalments will be collected in the last week of the months of September, November, January, March and May. If you pay in instalments, an administration fee of € 24 will be charged. More information about direct debit mandates can be found here.

Pay via Tikkie
With the use of Tikkie, you can pay the tuition fees in a quick and simple way. This can be done prior to the new academic year or you can use this method to rectify a failed payment. More information about the conditions to pay via Tikkie can be found here.

PIN payment by credit card (Only non-EU)
If you wish to pay by Mastercard, VISA Card, JCB Card or CUP Card, you must go to the Central Student Administration and use your credit card in the pin-code reader to pay your tuition fee (only for the full amount). The administration fee for a credit card payment is € 50 (per transaction). Please note that payment by credit card is only possible if you are a non-EU/EEA student and you have to pay the higher university tuition fees.

Cash payment
You can also pay your tuition fees in cash at the University cashier’s office. You can make an appointment here. Cash should not be posted to us. Although you are able to pay by cash if there is no other method, we advise against carrying large amounts of money into the country for security reasons.

Direct bank transfer
You can pay your fees in full by transferring money from your bank directly into the University’s bank account through an electronic transfer. It is important that you quote your Student Number or your name, initials and date of birth. For example, S1234567 and your name: Jones, S 01/02/1998. You need to make sure that additional costs (such as bank charges) are also paid.

- **Account name**: Rijksuniversiteit Groningen
- **Bank name**: ABN-AMRO
- **Account number**: NL84ABNA0425600904
- **BIC/Swift code**: ABNANL 2A
- **Reference**: onderwijsgelden
- **Address**: Grote Voort, P.O. Box 686, 8000 AR Zwolle

**Start date 1st September**
- the tuition fees must be on our account no later than 31 August

**Start date 1st February**
- the tuition fees must be on our account no later than 31 January.
Sponsored students

If you receive sponsorship for your studies, you must provide written confirmation of this so the UG can send an invoice to your sponsor. You will need to send this letter to the University at least six weeks before your date of registration. A sponsor’s letter must be written in English, on formal letter headed paper, and must state both your name and your student/applicant number. It should also include reference to the amount in Euros for the duration of sponsorship (i.e. first year or full course), as well as an address for the invoice to be sent to.

Emergency Funds

You still need to have other funds and means of payment available when you initially arrive in Groningen. This is the case even if you intend to open a Dutch bank account.

We recommend that you bring:

• **A bank card** that will allow you to use an ATM (Automated Teller Machine) in the Netherlands. Maestro and Cirrus are available in many places but check with your bank at home to be sure;

• **A credit card** (Mastercard or Visa). It is worth noting that you cannot use a credit card in the vast majority of supermarkets and shops in Groningen, so until you get a Debit Card/Maestro card, you will need cash;

• **Traveler’s cheques** need to be insured and cannot be used in shops. They will need to be exchanged for cash at a money changing bureau or bank.

Opening a bank account

If you wish to open a bank account in your home country which you can use in the Netherlands, you should look for a bank with global connections. Information about opening and running a bank account in the Netherlands is available on arrival at the University.

To open an account in the Netherlands you need to provide proof of the following (these may vary depending on the bank):

• Valid passport or ID;

• Proof of enrolment at the University of Groningen;

• Proof of residence for verification of your Dutch address, e.g. your rental contract;

• Proof of registration at the municipality (BSN-number).

There are different bank branches available and we advise you to read which bank suits your preferences on our [website](#).
## Immigration advice

If you are a student from country group 2, 3 or, between 4, and you will be staying for longer than three months (90 days), you need an MVV visa (type D - long-term multiple entry visa and/or a residence permit card in order to study in the Netherlands). The University applies for your MVV visa and/or residence permit at the Dutch Immigration Services (IND). You cannot apply for this yourself.

The University will inform you about the procedure and the documents that are needed for the application. This happens once you have received an offer from the Admissions Office of the University of Groningen.

More details of the procedure can be found [here](#).

Finding somewhere to live can be daunting, especially if you are moving to the Netherlands for the first time. We advise that you start looking for accommodation as early as possible as it can be difficult to secure somewhere to stay if you wait too long.

The University of Groningen does NOT provide accommodation for students. It is your own responsibility to find somewhere to live. Please do not underestimate the challenge of finding accommodation, as it can be a long and stressful process.

**Groningen**

**SSH Housing**
If you have arranged with SSH to move into your accommodation when you arrive in Groningen, you will be able to find more details in your accommodation offer document. For more information go to the [SSH website](http://www.sshxl.nl).

Please note that this is an external website and not monitored or administered by the University. If you have any questions, contact SSH. Tel: +31 (0) 88 730 4200

If you have not secured accommodation before the start of your programme, either with SSH or with a private sector provider, there are a number of options for short term accommodation. You need to be aware that it can be difficult to book last minute accommodation in August.

**At Home in Groningen**
This is a website collaboration between The University of Groningen and Hanze University of Applied Sciences, and provides useful information about how it is to live in a young, vibrant city such as Groningen. There are a wide range of choices available when looking at accommodation in Groningen:
- types of accommodation: student rooms, containers, student houses, student flats, houseboats;
- diverse neighbourhoods: Quiet or lively; close to or far from the city centre and/or University; distance from parks;
- sharing an apartment with other internationals or with Dutch students.

**Private rentals**
If you wish to live alone, there are also several property rental agencies (makelaar) in Groningen as well as the large property search website [funda.nl](http://www.funda.nl). Properties offered are likely to be a great deal more expensive than student housing. Please be aware that rental accommodation is mostly unfurnished.

When you finally find a home you like, you must sign a rental agreement. It is normally done at the real estate agent office, with the organisation, or directly with the landlord. All rental contracts are provided in Dutch, and this is usually the only version.

**Price and location**
The price of a room depends on the location (distance to the city centre) and the size. It is wise to budget for rent between €350-€550 per month and the surface area can be a small yet cozy 12m², or a much larger 30m².

You can also consider other towns and cities in the north of the Netherlands that are easily accessible by public transport, such as Assen or Leeuwarden.

**At Home in Groningen**
[www.athomeingroningen.com](http://www.athomeingroningen.com)

**Groningen Life**
[www.groningenlife.nl/en/housing](http://www.groningenlife.nl/en/housing)

**SSH**
[www.sshxl.nl](http://www.sshxl.nl)

**Sugar Homes**
[www.sugarhomesgroningen.com](http://www.sugarhomesgroningen.com)
Facebook pages
Facebook pages may be a good place to connect with other students looking for accommodation or to find out about any private rentals. Some of the most popular Facebook groups are “Student rooms Groningen”, “Groningen rooms”, “Free housing announcements in Groningen”, and “Student Housing Groningen”. Please be aware that these are external sites which are not monitored by the University of Groningen. Therefore, you should exercise extreme caution when arranging accommodation—especially where money is involved.

Leeuwarden
The good news is that it is relatively easy to find accommodation in Leeuwarden. If you start your bachelor degree at Campus Fryslân, housing is guaranteed for the first year. Fellow students often rent a room in a shared house or an apartment or there is the opportunity to opt for a one-bedroom or studio apartment. There are a number of real estate agents or private landlords who advertise their rooms on different platforms.

Finding somewhere to live
There are numerous platforms advertising accommodation in the city with some being free to join and others asking for a registration or monthly fee. Student Stay is our accommodation partner in Leeuwarden and reserves accommodation for UG/Campus Fryslân students with their locations being located close to the faculty.

Further information
Check the information you received from SSH about your accommodation. Alternatively, refer to the SSH website, which has up to date information of all student accommodation, application and allocation procedures.
Studying at the University of Groningen
The academic calendar runs from 1st September to 30th July and all faculties follow a semester calendar with the first semester lasting from September to January and the second semester starting in February. You should check your faculty’s academic calendar for specific dates as these can differ.

Registering for your programme

You can register for courses through progress. You should receive information from your faculty detailing how and when you can register for your courses. Please ensure that you follow these instructions and if you have any questions, you should contact your faculty’s Education Desk.

You are also able to find out more about the courses you will study by visiting the course catalogue.

Binding Study Advice

First-year Bachelor’s students at research universities in the Netherlands have to earn a minimum of 3/4 of their 60 ECTS (credits) for the first year. This means 45 of the total 60 credits for that year (some programmes such as the BA/BSc Liberal Arts and Sciences require the full 60 credits). This is called Binding Study Advice (BSA) and you will be advised in January of your first year about your results and progress. If you are not able to achieve the 45 credits, you will have to discontinue your degree. Halfway through your first year, you will receive what is called preliminary advice and at the end of the study year you will receive the Binding Study Advice.

Summary:
• at the end of your first year you need to have earned a minimum of 45 ECTS, otherwise you will have to discontinue your studies
• a negative BSA stays for a period of two years, starting the first of September of the following academic year;
• a negative BSA for a degree may also count for a cluster of related degrees (providing there is at least a 70% overlap between the different first years).

All the rules regarding the BSA can be found in the BSA Manual, which also includes information on planning and procedures, study support and evaluation.
Student card

The University of Groningen student card (known as the ‘RUGpas’) is proof that you are a student at the University and it will be used throughout your time as a student at the UG. It will contain your name, ID number and will certify your student status. It is also used for a number of things including identification during exams, gaining access to the University Library and using printers.

Once you have uploaded your photo and are definitively enrolled in your study programme, your student card will automatically be created. This takes approximately two weeks and the address that you have provided in Studielink will determine where you will receive your student card.

If you have provided an address in the Netherlands, your student card will automatically be sent to your address. However, if you have not yet updated your information and Studielink only has your address abroad, your student card will be sent to, and can be picked up at the Student Information and Administration. If this is the case, the Student Information and Administration will contact you on how and when to pick it up.

Faculty introductions

All faculties will have an introduction programme to tell you more about what to expect when you start and to provide an insight into your programme. Details can be found here:

- Faculty of Economics and Business
- Faculty of Behavioural and Social Sciences
- Faculty of Theology and Religious Studies
- Bachelor’s students / Master’s students
- Faculty of Arts
- Faculty of Medical Sciences
- Faculty of Law
- Faculty of Spatial Sciences
- Faculty of Science and Engineering
- Faculty of Philosophy
- UCG: University College Groningen
- Campus Fryslân, Global Responsibility & Leadership
Health Insurance

If you live in the Netherlands it is obligatory to have valid health insurance.

EU/EEA students can use health insurance from their native country as long as it has European coverage (European Health Insurance Card: EHIC).

Non-EU/EEA students will need to take out a private Health Care insurance. It is possible that the health insurance you currently have will cover you during your stay in the Netherlands. Be sure to check with your insurance company whether you’re covered, and exactly how much coverage you have during your stay. Otherwise, you can apply for private insurance through AON.

This does not cover liability insurance. If you accidentally cause injury to someone else, you are liable. The other person or party can reclaim his or her financial loss from you. With a liability insurance, the insurer will reimburse the ‘victim’ for the costs of the damage caused.

Household contents insurance protects you against the financial consequences of fire, theft and storm. At AON student Insurance you will be able to take out this additional insurance package and we strongly recommend you do so.

You are obliged to take out Dutch basic health insurance if:
- you are planning to work part-time or have a paid internship
- You are over 30 years old and your stay in the Netherlands is not temporary (generally, if your stay lasts longer than a year it is not temporary).
- you are a PhD Scholarship student, participating in the PhD Scholarship Programme.

Should you require any medical assistance or emergency services, you can find more information here.

Health insurance overview
These tips will help you plan your journey to the Netherlands and hopefully make the experience more relaxed and enjoyable.

What to carry in your hand luggage

Documents
Non-EU/EEA nationals will need to carry the following items in your hand luggage:
- your University of Groningen letter showing you have been admitted
- details of your permanent or provisional accommodation (if relevant)
- any relevant medical certificates showing recent vaccinations
- A passport or national identity card

Make sure to keep these original documents safe. We strongly advise you to keep these with you in your hand luggage.

EU/EEA nationals do not need to obtain a visa to come to the Netherlands but will need to present the following document:
- A passport or national identity card

It is worth knowing that these can also be bought when you arrive as there are a range of international chain stores as well as smaller, boutique or second-hand shops.

Money

Please do not bring large sums of cash with you. We suggest that you carry enough money to cover your first four weeks here to pay for expenses such as phone cards, transportation, toiletries and food. When exchanging your money, ask for lower denominations of currency: for example, €5, €10 or €20 notes. If you are unable to get smaller notes, you can change these in a bank when you arrive.

Non-EU visa students are advised to bring enough cash with them for the first few weeks, or have another way of withdrawing cash in the city. Once they have opened a Dutch bank account, they need to complete a form to request the living expenses from the university (which they already paid when they made their visa application). Transfers are ONLY made into Dutch bank accounts.

Climate

The Netherlands has a moderate climate with mild winters, cool summers and a fair amount of rain. Temperatures throughout the year can range from -7 degrees Celsius (19.4F) in winter to 30 degrees Celsius (86F) in the summer but the weather is unpredictable. It is recommended to carry an umbrella or raincoat with you as the weather can change a great deal – even within a single day.

Essential items of clothing
- Winter coat – one that should keep you dry and warm in all weather
- Winter accessories such as gloves, a scarf and warm hat
- Waterproof shoes

- Jeans
- Sweatshirts, sweaters or cardigans
- A smart outfit for formal occasions (shirt, trousers, skirt and/or dress with smart shoes.)
- Summer wear (shorts, t-shirts, flip flops, swimwear)
- Gloves, Sportswear
- Trainers (sneakers), or any shoes comfortable enough for running to class if you’re late!

Electrical equipment

- Your computer/laptop (and/or tablet) with a charger
- Mobile phone with a charger
- If your phone is carrier locked, you will not be able to use it with any of the Dutch mobile phone operators. Make sure it is unlocked.

Please note that appliances purchased outside the EU may not be safe to use in the Netherlands because of the higher voltage supply (230V, 50Hz).
Power adapter
In the Netherlands, electrical sockets have two holes (types C and F). If it is different from your country, you will need to buy a power adapter sold at the airport or at a number of shops in the city.

Things to consider
Items of bedding and kitchen equipment can be bought cheaply when you arrive – either new or second hand, so it is not necessary to bring these when you come. This is also the case for sports equipment unless you have special equipment that you wish to bring.

For information on what you are allowed to bring into the Netherlands, check the Dutch customs site. If you are a non-EU/EEA student, you are prohibited from bringing food and plant produce into the Netherlands.

Sending luggage in advance
If you are unable to bring all your personal items in your luggage, it is advised that you make sure your belongings arrive after you have checked into your accommodation as there is no space for storing luggage at the University.

Safety tips
- Do not bring large amounts of cash
- Pack your own luggage
- Do not put cash in your suitcase
- Throughout your journey, do not accept help with your luggage from people that you do not know
- Do not leave your luggage unattended at any time
- Do not accept requests to carry items for other people
Part two: Welcome to the UG
At the moment, you probably are settling in or have finished doing so. Moving to a new city is something you do not do every day and this guide will help you find your way around your new home and answer some of the questions you might have.
Arriving in the Netherlands
Schiphol Airport

Should you be starting your programme in September or February, remember to arrange your travel to the Netherlands so that you can attend the Welcoming Ceremony and your faculty’s introduction programme.

To Groningen
The best way to get to Groningen is by train and the trains leave from platform 1-2 at 4 and 34 minutes past every hour. If you get the 34 minutes past train which goes to Leeuwarden, you need to change at Zwolle for the Groningen train. You can get train tickets at the yellow ticket machines. Please note that most machines take card payments only. A one-way ticket will cost €27,00.

To Leeuwarden
You can get from Schiphol Airport to Leeuwarden by a direct train which departs every hour at 34 minutes. The journey from Schiphol Airport to Leeuwarden usually takes 2 hours. You can also take the train at 4 minutes past every hour but you need to change at Zwolle for the Leeuwarden train.

Schiphol Airport welcome service
The UG plans to offer a welcome service at Schiphol Airport for new arrivals on 31 August and 1 September. The Movin’ to the UG Team will be on hand to meet new students in the arrivals hall and guide them to the correct train. This service may be changed or cancelled in order to meet COVID-19 rules nearer the time.

Bremen Airport

To Groningen
The quickest way to get to Groningen from Bremen Airport is to take the Flixbus to Groningen Train Station. Flixbus takes you from Bremen to Groningen in 2,5 hours and the buses run about 8 times a day. The costs depend on the time you travel. You can book your Flixbus ticket online.

To Leeuwarden
Getting to Leeuwarden from Bremen Airport requires you to take the Flixbus to Groningen Train Station as above. Once you arrive in Groningen, you can take the direct train to Leeuwarden, which takes 34 minutes. You can buy your ticket at the station and traveling from Bremen to Leeuwarden takes around 3.5 to 4 hours in total.

National train information: www.ns.nl
Flixbus: global.flixbus.com
Now that you have arrived, it is important that you make sure you are officially registered with the various parties relevant to living and studying here.

**Visa Arrangements**
Students can make an online appointment to register at the municipality. They will receive their BSN immediately.

There are some situations where your visa or residence permit is not ready for pick up yet. In those individual cases, you will be informed about what to do.

If you have any questions regarding your visa/residence permit, please contact: Immigration Service Desk: isd@rug.nl Tel: +31 50 363 8181

**Registration at the municipality**

**Groningen**
Once you move to Groningen, you will need to be legally registered at the municipality. You will need to make sure you have the following:
- a passport
- a registration form
- a rental agreement

Students can register at the municipality, and they need to make an appointment online before visiting the municipal office. They will receive their BSN immediately. You will need to bring your passport and a copy of your rental agreement.

**Leeuwarden**
Both non-EU/EEA and EU/EEA students will receive an appointment to register with the municipality and these appointments will take place at NHL Stenden in late August or early September. If you are studying a programme at Campus Fryslân, you will receive details directly from the faculty about your appointment.

**Bank Account**
We advise you to open a Dutch bank account after your arrival in the Netherlands since most common payment methods are with cash or PIN. More information about how you can open a Dutch bank account and what kind of Dutch banks are available in the Netherlands can be found on our website.

**Tuition Fees**
EU students: To be definitively enrolled you will need to transfer your (partial) tuition fee payment to the university before 31st August. This is very important, because you cannot be enrolled if we receive your payment after this date.

Non-EU/EEA students will need to transfer one academic year’s worth of tuition fees to the university’s Immigration Service Desk. You will receive more detailed information about this once you have received an offer.

**Registering for Courses/Exams**
Registering for courses and exams takes place through Progress. You can log in using your student number and password. You can also go to the student desk at your faculty if you need help with your registration.

**Wi-Fi**
The university uses the eduroam network and you can sign up with your student account. You can find more information about how to set up your devices in the student portal.
Introduction weeks

The quickest way to get familiar with the city and meet fellow students is to sign up for the introduction weeks. Please keep checking the website for updates.

**Groningen**

The KEI week is the official introduction week in Groningen where Dutch and International students become acquainted with the city. ESN Groningen is a student organisation which is part of the Erasmus Student Network (ESN) and ESN Leeuwarden have the motto “students helping students” and this is achieved by organising over 150 activities for international students throughout the year. This includes an introduction week at the beginning of each semester to ensure that new international students have the best possible start that they can in Groningen and Leeuwarden. Due to the Covid-19 crisis, the introduction weeks have taken on a different format with smaller events and some activities online. Please visit the KEI and ESN websites updates on the introduction weeks.

**Leeuwarden**

Leeuwarden Studiestad also organises an introduction event for all students in Leeuwarden called LEIP! This runs from 17th to 20th August.

**Welcoming Ceremony**

All new international students will be invited to attend a Welcoming Ceremony which will be held on 2 September. More information about the format of the ceremony will be published on the welcoming pages soon.
The City of Leeuwarden

Studying at Campus Fryslân will mean that you are fortunate enough to be based in Leeuwarden located in the north-west Dutch province of Friesland. The city has been described as being like Amsterdam but without the crowds and it lives up to this with a continuous flow of cyclists riding on canal paths – with tunnels lit up in purple at night.

You will be joining the other 30,000 students studying at the various colleges and universities in the city. Furthermore, there is the chance to explore the Wadden Sea and the Wadden Islands – one of Europe’s most important ‘wet land’ nature reserves.

The City of Groningen

Although considered a large city in the Netherlands, the city of Groningen has a population of 233,000, of which approximately 60,000 are students. This means that Groningen is the youngest city in the Netherlands with an average age of 36. It is the economic and cultural capital of the north, culturally diverse, with a safe community character. Groningen is also a typical bicycle city with clean air, approximately 145 kilometres of bicycling lanes, making it one of the best cycling cities in the Netherlands and the world.

We know university life can present different concerns and questions, so if you need information, advice or support during your degree - we’ve got you covered.

**Student Information and Administration**

SIA is responsible for everything from your initial application in Studielink to your enrolment as a student at the UG. This includes issues like tuition fee payment, visa application and verification of documents. More information can be found on [www.rug.nl/sia](http://www.rug.nl/sia).

You can contact the Student Information and Administration by:
- Phone: +31 (0)50 363 8004
- Whatsapp: +31 649230111
- Mail: study@rug.nl

**Immigration Service Desk**

In the event that you have any questions regarding your visa or immigration rules, you can visit the Immigration Service Desk. You can find this desk in the Academy building, Broerstraat 5, Groningen. More information [here](http://here).

**Faculty Student Desk**

Each faculty has their own Student Desk, where you can ask questions about grades, your courses, registrations for courses and exams etc. During your introduction week, you will be shown where these desks are located within your faculty.

If you are based in Leeuwarden, you can visit the Student Service Desk on the second floor at the Beurs (Wirdumerdijk 34, 8911CE Leeuwarden). You can also email: [cf-sec@rug.nl](mailto:cf-sec@rug.nl)

**Study advisors**

You are not on your own. There is always a friendly face and listening ear nearby so if you are having problems studying, your first point of contact is your study advisor. You are able to make appointments with them at your faculty’s Student Desk.

**Student Service Centre**

We have a number of services available to support you if you are experiencing more complex problems such as those related to mental health. Your study advisor is able to forward you on to the Student Service Centre where study counsellors and psychologists can help and/or advise you on what to do next. This service is also aimed at students with learning difficulties (dyslexia, dyscalculia), or physical disabilities, hearing and visual impairment. More information is available [here](http://here).
Doctors and Health Services

Dentists
Should you need a dentist and not have one already, you can contact the information desk at the Department of Dentistry (based in Groningen) for an appointment. If it is an emergency, you should ask for a receipt in order to get a refund from your insurance company. If you are here for a long period of time and need a simple check-up, be aware that you will be placed on a waiting list, meaning that it may take a couple of weeks before you get an appointment. If you require emergency dental care, however, you will be given an appointment immediately.

Groningen
Department of Dentistry
(in Dutch: Centrum voor Tandheelkunde en Mondzorgkunde)
Antonius Deusinglaan 1, 9713 AV Groningen
Opening hours:
Monday to Thursday 8.00 to 17.00;
Friday 8.00 to12.00
Appointments by tel: +31 (0)50 363 75 05*
Emergency telephone: (only after 17.00):
Tel: +31 (0)50 535 03 70

*Note: Answering machine is only in Dutch and when you call you will get the options menu. Do not hang up, you will be automatically connected to a receptionist.

Leeuwarden
Dental Clinics Leeuwarden Aldlân
Stinzenflora 155, 8935 LG Leeuwarden
Opening hours:
Monday to Friday 8.00 to 16.00
Appointments by tel: +31 (0)58 870 73 26
Emergency telephone: +31 (0)900 215 31 11
(after opening hours only)

Tandarts Verlegdeschrans
Verlengdeschrans 52, 8932NP Leeuwarden
Opening hours:
Monday to Thursday 8.00 to 17.00;
Friday 8.00 to 12.00
Appointments by tel: +31 (0)58 212 44 54
Emergency telephone: +31 (0)900 215 31 11
(after opening hours only)

General Practitioners
In the Netherlands, a general practitioner (GP) or family doctor is called a ‘huisarts’ and we strongly advise you to register with a GP as soon as possible. GPs can be visited during consultation hours after making an appointment by telephone and, in some cases, by email.

Groningen
There are two options: register with a GP in your neighbourhood or register with the Studentenarts. For the first option, you can ask your neighbours or your student manager for advice.

Studentarts location Zernike
Zernikeplein 17 (parking P4, building S, back entrance)
9747 AS Groningen

Studentarts location Hanzeplein
Hanzeplein 121 (across UMCG)
9713 GW Groningen
Telephone +31(0)50 211 09 11
Emergency telephone: +31 (0)50 211 16 66
Emergency weekend number: 0900 – 9229

Here’s a list of GP’s in Groningen that the university is happy to recommend to its students.

- Huisarts en praktijk Groningen
  (site available only in Dutch)
- Huisarts Groningen
- Huisartsen Boterdiep
- De Stads Huisarts praktijkinfo
  (site available only in Dutch)
- Huisartsen Ossenmarkt

Leeuwarden
Students from Campus Fryslân are currently welcome to register at Compas Huisartsenpraktijk (please mention that you are a CF student when registering):
Rengerslaan 2E, 8917 DD, Leeuwarden
Opening hours:
Monday – Friday: 8.00 to 17.00
Appointments by tel: +31 (0)58 266 22 31
between 8.00 and 10.00
Choosing to come and study at the UG is a great choice, as beyond the University, you will find that there is a vibrant city life - whether you are in Leeuwarden or Groningen.

You will have access to cultural events, festivals and nature - not to mention events held by the various student societies. Here is an overview of what the cities have to offer.

**Sports**

Groningen has the [ACLO](https://www.aclo.nl) as the overarching student sports organisation of the University of Groningen and the Hanze University of Applied Sciences and home to 49 sports clubs. The ACLO (founded in 1945) is the largest student sports organisation of the Netherlands and represents the Groningen students’ sporting interests at a national level. For a fee of just 59.90 per year, you will join 19,000 others paying who have access to sports and activities including water polo, African dance, bouldering, basketball and rugby.

Students in Leeuwarden can use the sports facilities offered by [Leeuwarden Studiestad](https://www.studiestad.nl) for a small yearly fee. There is a choice of different sports, including basketball, futsal, swimming and kickboxing.
Cycling

Owning a bicycle is usually the quickest and cheapest way to get anywhere in both Leeuwarden and Groningen. In Groningen, most of the city centre has been closed off to cars, so 70% of all transport in the city takes place by bicycle.

As a bike owner, make sure you carry bicycle lights with you (white light in the front, red light at the back) that you either attach to your bicycle or your clothes. Throughout the year, but particularly during the winter, the police regularly check cyclists for these lights and if you don’t have working lights the fine will be €90. Please also be aware that there is also a €95 fine for cycling with your phone in your hands.

It is also advisable to lock your bicycle with two locks - the wheel lock and the chain lock. The best protection for bicycle theft is to lock your bike to something, like a lamp post. However, check local rules because sometimes that is not allowed and the municipality will remove your bicycle.

OV chip card

Public transport in the Netherlands is increasingly more dependent on the OV chip card, a pass that you top up with credit. It is still possible to buy paper tickets, but they are more expensive than using the OV card. You can buy an OV chip card online as well as at supermarkets, kiosks and train stations for €7.50. You will then need to top up it up with credit at the locations above.
Identification

As a resident of the Netherlands, it is required by law that you always carry identification with you in case the police want to check who you are. You will also need to bring your student card with you for most university exams.

Student Societies

Joining a student society is one of the best ways to meet fellow students and discover what the university has to offer. Student societies often organize fun events like movie nights, pub quizzes, city trips and parties. You can find an overview of the international student societies on our website.

Food

Dutch cuisine is most likely different from what you are used to at home, and the Dutch do not have a strong “eating out” culture. It is common for people to share a meal at home with friends - resulting in some of the best, most reasonably priced supermarkets in the world. Most supermarkets also offer ingredients from different cuisines, so your time at the university might provide a great opportunity to expand your cooking skills.
Groningen
Groningen has a great deal to offer when it comes to nightlife. As it is the only city that has no closing times for its bars and cafes, there is always something going on at night. The Grote Markt, Poelestraat and Peperstraat are the centre of Groningen’s nightlife with several venues featuring live music throughout the city centre. VERA is our most famous underground music venue and has hosted several little known bands on the verge of breaking through. In the past, these have included Nirvana, Joy Division, Pearl Jam and U2 who all performed at the club at the start of their careers. Simplon is also a great place if you are looking for alternative music.

Leeuwarden
Leeuwarden has a great nightlife with a range of music played in the different bars and clubs throughout the city. With a 5th of the population being students, you have a variety of options from themed music nights to sports cafes and more traditional bars dating back to the early 1900s.
Tips and Tricks

Leeuwarden

Shopping

For essentials such as duvets, sheets, pillows, pans etc. shops like HEMA, Action and Xenos have got you covered. If you are looking for a bargain, you need to head to Vorstreek where there are several second-hand shops.

Most shops in Leeuwarden are located around the Nieuwestad or the Verlegdeschrans. Amongst others, you can find Etos, Kruidvat and Trekpleister for your health and beauty needs, with supermarket chains like Albert Heijn, Jumbo, Aldi, Lidl and Spar, and Zara, H&M and Vero Moda available for a bit of retail therapy.

Every Friday (9.00 - 17.00) there is a large market at Wilheminaplein which is full of stalls selling fresh fruit and vegetables, fish, meat and cheese. There are also many flower and clothes stalls.

Entertainment / Festivals

The website Uitloper Leeuwarden gives you an idea of the different festivals and events in the city.

Neushoorn

The Neushoorn is Leeuwarden’s creative hub. As well as a music, comedy and dance venue, it also hosts events for talent development.

Groningen

Shopping

Groningen has an IKEA which is great for your regular interior needs alongside other stores such as Primark or HEMA which offer essentials such as duvet, pillows, sheet and pans.

Most shops in Groningen are located in Herestraat and Westerhaven where you can find, among others, health and beauty chains (like Kruidvat, Etos) and supermarkets chains (Albert Heijn, Jumbo, Coop, PLUS, Lidl and Aldi).

Every Tuesday, Friday and Saturday (9:00 - 17:00) the squares of the Grote Markt and Vismarkt are filled with vegetable, fruit, cheese and fish stands as well as numerous other produce. In front or nearby A-Kerkhof is where you will find the flower and plants stalls.

There are a number of thrift stores for clothes and second hand furniture shops where you can find those quirky one-of-a-kind items. A well know chain of thrift stores is called Mamamini. These shops are located on multiple locations in Groningen and sell everything from furniture to kitchen items and clothing.

Entertainment / Festivals

The website Uit Groningen gives a comprehensive overview of what is happening in Groningen city and province. Although in Dutch, you can still get a sense of fun events or places to visit.

Eurosonic

Eurosonic is the biggest showcase music festival in Europe and takes place in the second week of January. Make sure you get tickets quickly because they sell out fast!
Social Media

There are a couple of good Facebook groups where you can buy second-hand items (including furniture, home essential, bikes and clothing). The most popular ones are: For sale in Groningen and For sale in Groningen for everyone.

USVA

Student Culture Centre, Usva is the cultural facility of the University of Groningen which strives to encourage students to develop themselves in arts and culture. Usva provides an artistic platform in Groningen where you have the opportunity to discover and engage with the arts.

There are various courses available in artistic disciplines, such as film, improv comedy, dance, and drawing with the chance to also learn how to sew or play the piano.

Throughout the year, Usva hosts many events such as the Flicks Film Festival, a singer-songwriter contest (Nootuitgang), clothing swap (O-Swap), mini festival (Usva at the Park) and a monthly Quiz Night. Student organisations also receive support for artistic projects from the venue in the form of grants, facilities and practical knowledge. Rooms and the theatre are available for students to rent.
