Studying is all about preparing for a successful career. RUG Career Services is here to support you. Our workshops and courses ensure that you've got the skills to enter the job market with confidence. Our events introduce you to the possibilities in the Northern Netherlands and beyond. Our CV checks and mock interviews help you get a foot behind the door at your dream job. And to top it off: all of this is completely free for RUG students and recent alumni.

We'd love to get to know you.

PHOTO
BOOTH

Every last Friday of the month, we host our **free photobooth** for students and staff. A professional photo studio with photographers who understand exactly what you need for that perfect LinkedIn picture.

From **Monday to Friday, 11 am to 5 pm**, our student employees are waiting for you at our front desk at the University Library for each and every question you might have about your CV, your motivation letter, your LinkedIn profile - or any other career-related issues. Feel free to make an appointment or just pop by. Studying at Zernike? We're at the Bernouilliborg every Thursday too!
