Groninger Museumnacht 2023

For the seventh time, GRID Graphic Museum (Akerk), Groninger Museum, Storyworld (Forum Groningen), Museum aan de A, Synagoge Groningen, Noorderlicht and University Museum Groningen will open their doors until well after midnight. Admire special exhibitions and interesting collections, follow a workshop, listen to stories or dance to music! There is plenty to see and do.

7 museums for 10 euro

With a passe-partout you can visit all 7 museums in the city of Groningen for a total of only 10 euros. You can order your tickets at tickets.groningermuseum.nl. During the Groninger Museum Night you exchange your ticket for a wristband that gives you access to all museums.
