Student Mobility Pass

Student Mobility creates a personalized discount profile and connects it to your OV travel pass (formerly known as OV Chipcard), giving international students access to discounted travel across the Netherlands.

Instead of paying full fares with a bank card, you can benefit from available travel discounts from day one. Combine it with an ISIC Student ID and enjoy access to thousands of student discounts worldwide on shopping, culture and entertainment.

Choose your option:

- Student Mobility OV-pass (optional discount subscription available)
- ISIC Student ID
- Combined package

Student Mobility Package Benefits

Works for every type of public transport in the Netherlands

A digital ISIC card with local & international discounts

App for travel data, customer service, discounts

Automatic top-up option (no more manual balance top-ups)

Customized application process for international students

Public transport bike (OV-fiets) and storage options
