The Netherlands higher education institutions adopted the ECTS system officially in 2002. One ECTS credit represents 28 hours of full-time study (including contact hours, reading, independent study, preparation for exams etc.), and 60 ECTS credits represent one year.
The Dutch grading scale runs from 10 (highest mark) to 1 (lowest mark), in which 5.5 is the minimum pass mark. Grades 9 and 10 are rarely awarded.

By the end of the semester, students will receive information from the faculty on how to apply for a transcript. Students must instruct the faculty to send the transcript to the international office of their home institution. Please be aware that many faculty only send out digital transcripts.
