

GROUP: WORK, TRANSITIONS TO WORK, FUTURE OF WORK

KEY ISSUES:

1. LACK OF OPPORTUNITIES FOR YOUTH
2. LACK OF PRODUCT/SERVICES IN THE COMMUNITY

Strategies (flip charts)

Group 1 Higher Education:

- Get to know from the community: What is happening in the community?
- Research about the situation

Group 3 Grass roots:

- What is it they need and explore what they have
- Assessment of situation

Group 2 Education:

- Solar energy
- Vocational training
- Mobile recharging
- Financial education
- Games, partnership with government
- Empower them en then TOT, positive deviance

Policy maker and Government

Policy maker (Jacques):

- Rural development plan
- Communicate with department of energy, communication etc.

Government (Murtala):

- Government less interested
- Look for help from UNDP, WorldBank etc. funding or donors
