**facts & figures**

**Start a career in the Netherlands**

To strengthen the Dutch labour market and to attract foreign talents, the Netherlands have introduced the Orientation Year (Search Year). For a period of up to twelve months, recent graduates from non-EU countries are able to stay in the Netherlands. The Orientation Year Permit is turned into a residence permit, once your job search was successful.

**Pay Check & Hours**

In the field of economics & business

- Average starting income of graduates in the field of economics and business: €2,792
