Regeling waardering opdrachten en deeltentamens

Regulations for grading assignments and partial examinations

Artikel 16 Frequentie deeltentamens

Article 16 *Frequency of partial examination*

moet zijn/*should read:*

In afwijking van **artikel 9.2** van de Onderwijs- en Examenregelingen Bacheloropleidingen en -programma's respectievelijk **artikel 6.2** van de Onderwijs- en Examenregelingen Masteropleidingen hoeft voor deeltentamens niet tweemaal per studiejaar de gelegenheid te worden geboden tot het afleggen van deze tentamens. Indien de examinator desalniettemin een herkansingsmogelijkheid biedt voor een deeltentamen, telt het hoogstbehaalde resultaat van beide deeltentamens mee voor het eindcijfer.

*Contrary to the provisions of **Article 9.2** of the Teaching and Examination Regulations Bachelor's degree programmes , resp. **Article 6.2** of the Teaching and Examination Regulations Master's degree programmes no two opportunities for taking partial examinations need to be given. If, the examiner, nevertheless offers a resit opportunity for a partial examination, then the highest grade shall be used in calculating the final grade.*
