Dear prospective student,

Welcome to the University of Groningen and in particular to the Faculty of Spatial Sciences! You are planning to start your bachelor study here in September 2022 in Groningen, at our Faculty. We are happy to see you will join us in the upcoming academic year.

Introduction meeting International students
Since you are an international student, we can imagine you do not know Groningen or any of the other students for that matter. In order to get you off to a good start, we would like to invite you to a meeting for international first-year students on September 2nd. Previously, international students indicated that they appreciate meeting other international students before the programme starts, which is why we are organizing this.

Below you will find the intended schedule for that day. Could you please confirm your attendance by sending an e-mail to study.advice.fss@rug.nl?
