MF = Multi-Faculty Exchange, see instructions and application form on www.rug.nl → Education → Programmes → Exchange students → (at the bottom of the page) Multi faculty exchanges. Submit the MFE application form to Paul van Steen (on or before January 31, 2019). You also need to timely (November!) arrange for a language proficiency test for the MFE application.

Preferences for exchange, 2019/2020

(write down the code for the partner university as indicated above)

1st preference: [code, see above] _____ semester 1 or semester 2: _____

2nd preference: [code, see above] _____ semester 1 or semester 2: _____

3rd preference: [code, see above] _____ semester 1 or semester 2: _____

Filling in this form, and submitting it, reflects your serious interest to participate in one of the international student exchange programs of the Faculty of Spatial Sciences in 2019/2020. However, it is not binding – you can always withdraw your application following consultation with the Faculty's student exchange coordinator, Paul van Steen.

date: _____ signature: _____

**Submit this form (as hard copy) in the mailbox of Paul van Steen,
 ground floor, Mercator building – on or before **January 7, 2019****

(if you include a Multi-Faculty Exchange preference, make sure to submit ALL application documents for the Multi-Faculty Exchange not later than January 31, 2019)
