

Housing in Groningen

- **The SSH**

Housing can be arranged through the SSH. We recommend applying for student accommodations through the SSH at the following: <http://www.sshxl.nl/en>
Make sure you use the option for **Short Stay**.

The process of registration

- The SSH offers two options for housing:

1. Students can apply for housing for a semester (September-February)/(February- July) or an academic year (September-July). These are fixed periods.
2. Postdoc/Staff/PhD - housing option with a variable amount of months (maximum 12 months)

Since you will be staying in the regular semester dates, please use the following steps to register.

- 1). Go to www.sshxl.nl/en
- 2). At the top of the page, (right) you see 'Register' on. Please click on it.
- 3). Choose the option 'Register for Short Stay'
- 4). For the section Institution please fill out the Institution part as follows:
City: Groningen
Institution: University of Groningen (RUG)
Department/Faculty: RUG Science and Engineering – Exchange students
Type of Resident: Exchange
Housing period: Whichever one is applicable for you
Student Number: if you already have one you can fill this in or you can skip it
Click next
- 5). Please fill in the sections Personal, Email address, Telephone number and choose a password.

You are only able to book a room **per full calendar** month (i.e. 1-30 April), reservations starting/ending in the middle of the month will not be accepted.

- After registration, we will approve your online request. After approval, you are able to make a reservation.
- You do not have your student number yet which is required at the online registration. You can mention any number (six digits) and change this after receiving your student number.
- We advise you to contact the SSH for further questions about the accommodation itself and the renting period
