 - a. positive, for students who have earned at least 45 ECTS in the propaedeutic programme.

This may also be at the request of the student. The procedure described in Article 5.5 will apply.
4.
 - a. The Faculty Board will take extraordinary personal circumstances as referred to in Article 5.4 into account in its decision about which study advice to issue in the first year of registration
 - b. Notwithstanding the stipulations in Article 5.2.2., if no assessment can be made with regards to a student's suitability for the degree programme due to personal circumstances during the first year of registration, the advice can be postponed until a later date within the propedeutic phase. An adapted BSA threshold may be agreed upon in such cases.

Article 5.3 Exceptions to the definitive study advice

Multiple degree programmes at the University of Groningen

1. Students who are registered for the propaedeutic phase of 2 or more University of Groningen degree programmes in their first year of registration, and by the end of the year satisfy the BSA threshold as referred to in Article 5.2.1 for one degree programme, will not have to satisfy the BSA threshold for the other programme(s) in that year. Once a student has successfully completed the propaedeutic phase of one degree programme, he or she is exempt from the BSA requirements for all other programmes.

Propaedeutic certificate previously gained elsewhere

2. Students who have already completed the propaedeutic phase of a degree programme at the University of Groningen or another Dutch university, or (for degree programmes that do not issue propaedeutic certificates) in the opinion of the Board of Examiners have earned 60 ECTS credit points in their first year of study, will not fall under the BSA system for the degree programme for which they enroll in the propaedeutic phase.

Deregistration before 1 February

3. No definitive study advice will be issued to students who submit a request for deregistration before or as of 1 February of the first year of registration for the propaedeutic phase of the degree programme. The procedure set out in Article 5.1 will apply again to students who reregister in the subsequent academic year. The BSA regulations for the academic year in which they reregister will then apply.

Deregistration before 1 February + registration as of 1 February

4. Article 5.2 applies in full to students who deregister from a degree programme before 1 February and register for a degree programme in the same degree programme cluster, as of 1 February of the same academic year.

Registration as of 1 February

5. An adapted BSA threshold will apply to students who register for a University of Groningen Bachelor's degree programme as of 1 February and have not previously as students been registered in the same academic year. These students must have earned 20 ECTS in the propaedeutic phase of the degree by the end of the second semester of the first Academic Year of registration. In all other cases, the provisions of Article 5.2 will apply *mutatis mutandis*.

Article 5.4 Personal circumstances

1. When deciding whether to issue a binding study advice, the Faculty Board will take a student's personal circumstances into account at that student's request. The evaluation of personal circumstances will also take into account the student's study behaviour, the agreements made and/or the study plan drawn up in consultation with the study advisor, when the personal circumstances were reported and the study results achieved by the end of the first year of study.
2. Students must report personal circumstances to the study advisor as soon as possible in order to ensure optimum support. The Faculty Board, or the Faculty BSA Committee on its behalf, will make a decision in response to a student's request for a postponed study advice and possibly an adapted BSA threshold. Students must also report to the study advisor as soon as possible if they are unable to complete the study plan drawn up in consultation with the study advisor and based on the original or adapted BSA threshold.

3. If, due to personal circumstances as referred to in Article 5.4.1, no assessment can be made at the end of the first year of study with regard to a student's suitability for the degree programme, the assessment can be postponed until a later date within the propedeutic phase.
4. Postponed advice will be issued by **the end of the second year of registration** in the degree programme, and no later than July 31.
 - a. The postponed study advice will be converted into a positive advice if the (possibly adapted) BSA threshold has been passed.
 - b. The postponed study advice will be converted into a negative study advice, which is binding on the student (BSA), if the student in question still fails to pass the (possibly adapted) threshold in the propedeutic phase.
5. Circumstances as referred to in Article 5.4.1 do not automatically lead to a successful application for a grant from the Graduation Fund.

Article 5.5 Procedure for issuing a definitive study advice

1. The definitive study advice is issued by the Faculty Board on behalf of the Board of the University. The decision will also state the applicable safeguards of legal rights.
2. Before a negative study advice is issued, students will receive notice of the intention to issue one, after which they will be given the opportunity to put their case to the Faculty Board or its representative.

Article 5.6 Consequences of a binding (negative) study advice

1. Students who have received a binding (negative) study advice may not register for the degree programme, for a period of 2 subsequent years from 1 September of the next academic year.
2. Students who have been issued a binding (negative) study advice are not permitted to follow course units in this degree programme via a different degree programme or educational institution in order to avoid the consequences of their binding (negative) study advice. No exemptions will be granted for course units completed in this way, nor will such completed course units be recognized within the framework of the degree programme in any other way.
