These are the books that first year students need in their first semester. Order your books through VIP and get a discount up to 20% on all your books! Also, buying your study books through VIP is as easy as it can be because you can order all the study books you need at once; the days of comparing on different websites are over!

For questions about the order/receiving, please send an email to: info@studystore.nl For other questions send an email to us, the book committee: studycommittee@vipsite.nl!
