

Assessment plan Research Master's track Language and Cognition

JAAR 1 semester 1		Blok 1		Blok 2	
vaktitel	vakcode	week 1-7 colleges	week 8/9/10 (her)toetsing	week 11-17 colleges	week 18/19/20 (her)toetsing
Basic Statistics	LTR013M05	Seminar, computer practical	Written examination + test computer practical		
Corpus Linguistics	LTR014M05			Seminar, computer practical, weekly assignments	Presentation and report of final project
Linguistic Theory	LTR017M10	Seminar, homework assignments		Seminar, homework assignments	Take-home exam
Totaal aantal ECTS getoetst	30				
JAAR 1 semester 2		Blok 3		Blok 4	
vaktitel	vakcode	week 1-7 colleges	week 8/9/10 (her)toetsing	week 11-17 colleges	week 18/19/20 (her)toetsing
Designing your Research Project	LTR021M05	Seminar, homework assignments, class discussion		Seminar, homework assignments, class discussion	Research proposal
Language, Brain and Cognition	LTR008M10	Seminar, homework assignments, class discussion, presentation		Seminar, homework assignments, class discussion, presentation	Research proposal
Methodology & Statistics Ling. Research	LTR002M10	Seminar, computer practical, presentation		Seminar, computer practical, presentation	Paper with in-depth data analysis and discussion
Experimental Pragmatics	LTR009M10	Seminar, homework assignments	Assignment	Seminar, homework assignments final project, presentation of final project	Written report of final project
LOT Course 1	LTR015M05	The student takes LOT classes, e.g. at the LOT Summer School or Winter School. Assessment is based on a paper.			
Summer School/Winter School/Tutorial	LTR012M10	The student takes classes at a summer school or winter school or pursues an independent study. Assessment is based on a paper.			
Totaal aantal ECTS getoetst	30				

JAAR 2 semester 1		Blok 1		Blok 2	
vaktitel	vakcode	week 1-7 colleges	week 8/9/10 (her)toetsing	week 11-17 colleges	week 18/19/20 (her)toetsing
Research Internship in Linguistics	LTR011M20	This specialization module involves an internship in a research environment. Assessment is based on the internship and an internship report.			
LOT Course 2	LTR016M05	The student takes LOT classes, e.g. at the LOT Summer School or Winter School. Assessment is based on a paper.			
Summer School/Winter School/Tutorial	LTR012M10	The student takes classes at a summer school or winter school or pursues an independent study. Assessment is based on a paper.			
Totaal aantal ECTS getoetst	30				
JAAR 2 semester 2		Blok 3		Blok 4	
vaktitel	vakcode	week 1-7 colleges	week 8/9/10 (her)toetsing	week 11-17 colleges	week 18/19/20 (her)toetsing
Research Master's Thesis in Linguistics, including Thesis Class	LTR999M30	Writing thesis, thesis class			
Totaal aantal ECTS getoetst	30
