# Get your ORCID iD

unique  
traceable  
persistent

ORCID® is the international identifier for researchers. It distinguishes you from other authors and connects you with your publications and professional activities. Your ORCID iD stays with you throughout your career.

- › Increase your visibility
- › Improve the discoverability of your work
- › Prevent name ambiguity with other authors

<http://www.rug.nl/orcid>

# Your ORCID iD in 4 steps

## Register

- › Complete the easy online registration in 30 seconds

## Connect

- › Synchronise your other author IDs with ORCID iD

## Add

- › Add your ORCID iD to your profile in the University's research database Pure

## Include

- › Include your ORCID iD when you submit publications or apply for funding

## Registration, information, instructions
