Introduction to CEASG

The Centre for East Asian Studies Groningen (CEASG) is an inter-faculty institute launched by the Faculty of Arts and facilitated by Globalisation Studies Groningen. CEASG initiates and supports interdisciplinary teaching and research on contemporary China, Japan, Korea and Mongolia, and aims to strengthen and broaden the University's academic partnerships in East Asia. Where appropriate, special attention is given to the three research priorities of the University of Groningen: Healthy Ageing, Energy, and Sustainable Society.

Affiliated faculties include the Faculty for Economics and Business, Faculty of Law, Faculty of Theology and Religious Studies, and the Faculty of Arts. CEASG partners with various institutes and organizations in Groningen, including the Groningen Confucius Institute, the Centre for Japan Studies, Globalisation Studies Groningen, Groningen Centre for Education and Research Osaka University, and the Ubbo Emmius Fund.
