

Organizers:
Detmer Sipkema & Duur Aanen,
Wageningen University
Dick Roelofs,
VU University Amsterdam

Principles of Ecological and Evolutionary Genomics

Postgraduate (PhD) course

26-28 September 2018

Wageningen, The Netherlands

Themes:

Meta-Genomics

Functional Genomics

Comparative Genomics

Population Genomics

Speakers:

The organizers

Bas Dutilh (University of Utrecht)

(Inter)national speakers
will be announced soon

Information and registration via SENSE website:
