### ADMISSION REQUIREMENTS

Applicants who apply to the programme are assessed individually. In order to apply, applicants need to provide us with the following information:

- Copy of bachelor certificate or proof of enrolment including expected graduation date: We expect a Bachelor's degree in philosophy or philosophy of a specific scientific discipline, or another Bachelor's degree which the admissions board considers to be equivalent.
- Academic transcript: We expect applicants to have a mean score of 7.5 out of 10 (according to the Dutch Grading system, which is roughly equivalent to an A-/B+ in the US system) or better in the relevant advanced BA courses of their study programme. If the programme involved a thesis, it also must have received at least an 8 out of 10 (roughly an A/A- in the US system).
- Curriculum Vitae (CV)
- Motivation letter: The applicant should explain why they wish to take part in our programme, what they expect from the programme and what they wish to achieve.
- Writing sample: This can be a Bachelor thesis or a paper the applicant has written for a philosophy course.
- Two reference letters: These letters should be written by instructors who know the student and who describe the student's past performance and academic promise. Reference letters can be sent by referees to [fil-study-advisor@rug.nl](mailto:fil-study-advisor@rug.nl) or can be sent to the applicant who includes them in their application
- Proof of English proficiency: you will need to prove your proficiency in English by means of one of the following tests (the test cannot be older than two years):
  - IELTS, minimum overall score 7.0 with no band lower than 6.5;
  - TOEFL 100 (section scores Reading 22, Listening 22, Speaking 26, Writing 24).

Please ask the ETS to send us the test score report using institution code 7191.

This requirement does not apply if you:

- are a native speaker and completed secondary education in any one of the following countries: Canada, USA, UK, Ireland, New Zealand, Australia;
- have completed your bachelor education in any one of the following countries: Canada, USA, UK, Ireland, New Zealand, Australia.

## HOW TO APPLY & ADMISSIONS PROCEDURE

### International students

International students first register in Studielink, transfer the application fee and then complete their application in the progress portal. In order to do this, visit <http://www.rug.nl/howtoapply> and follow the steps.

### National students

Dutch students register in Studielink, and then send their application files to [fil-study-advisor@rug.nl](mailto:fil-study-advisor@rug.nl). In order to register in Studielink, please visit <https://www.rug.nl/education/master/nederlandse-studenten/aanmelding-en-inschrijving/> and follow the steps.

Once we have received your application and all required documents, the admissions board will evaluate your file. Applicants may subsequently be invited for an interview (possibly online). In any case, you will hear from us no later than one month after the application deadline (see below). There are three possible outcomes of your application:

- not admitted (we will motivate our decision),
- conditionally admitted (there are conditions that are to be fulfilled), or
- unconditionally admitted.

### TUITION FEES AND LIVING EXPENSES:

For up to date information about tuition fees, living expenses and visa leges, please visit: <https://www.rug.nl/education/master/international-students/financial-matters/> and/or <https://www.rug.nl/education/master/international-students/admission-and-application/visa-immigration/>

We offer two faculty grants of €5000 to talented Non-EU/EEA applicants. All admitted Non-EU/EEA applicants are automatically considered for the faculty grants. Applicants will be informed in July/August if they have been awarded a faculty grant.

All students can apply for paid Teaching Assistantships (with priority for Research Master students).

### DEADLINES

#### For enrolment in February:

All students\*: November 1st

#### For enrolment in September:

Non-EU/EEA students\*: May 1st

EU/EEA students: May 1st

\* We advise non-EU students to apply even earlier and use the deadline of the preceding admission moment, as acquiring visa and other documents is often time-consuming.
