ALBUM AMICORUM | Colleagues, students, alumni and other friends of Jan are invited to contribute to an Album Amicorum (a friendship book) with a personal note (max. 250 words). This can either be a memory, an advice, an anecdote, a poem or whatever you want to share with Jan in words, and can be accompanied by an image, such as a photograph or an artwork that reminds you of Jan (separate jpeg or png). You can send your contribution before 30 April 2023 to albumamicorumjddj@gmail.com.

After many years full of inspiring teaching, thought-provoking research, memorable excursions, friendly and stimulating supervision and warm collegiality, dr. Jan de Jong will leave the Department of History of Art, Architecture and Landscape of the University of Groningen. In order to honour his outstanding academic work, thank him for his years of dedication and contribution, and take the opportunity to wish him well for the future years to come, a symposium with drinks and bites is being organised.

You are all warmly invited to join the event and contribute to the Album Amicorum that will be created!
