Non canonical Wnt ligands and cytokine-driven myelopoiesis

Marina Mastelaro de Rezende

The studies described in this thesis were performed within the framework of Molecular Pharmacology Department of University of Groningen and Departamento de Bioquímica of Universidade Federal de São Paulo (UNIFESP), and it was partially supported by Coordenação de Aperfeiçoamento de Pessoal de Nível Superior (CAPES) and Fundação de Amparo à Pesquisa do Estado de São Paulo (FAPESP), grants and scholarships numbers 2015/24464-1 and 2016/23787-4.

Printing of this thesis was financially supported by: University Library and Graduate School of Science and Engineering (GSSE).

groningen

Non canonical Wnt ligands and cytokine-driven myelopoiesis

PhD thesis

to obtain the degree of PhD of the
University of Groningen
on the authority of the
Rector Magnificus Prof. C. Wijmenga
and in accordance with
the decision by the College of Deans

and

to obtain the degree of PhD of
Universidade Federal de
São Paulo (UNIFESP)
on the authority of the
Dean Prof. S. Soubhi Smaili and
in the accordance with the
decision by the College of Deans

Double PhD degree

This thesis will be defended in public on

Friday 13 March 2020 at 12:45 hours

by

**Marina Mastelaro de
Rezende**

born on 10 August 1989
in Jundiaí, Brazil

Supervisors

Prof. R. Gosens
Prof. E. J. Paredes-Gamero

Assessment Committee

Prof. A. R. Fock
Prof. G. W. B. Colleoni
Prof. B. N. Melgert
Prof. P. Olinga

CONTENTS

1	General Introduction	9
2	Differential signaling requirements for the Ca²⁺ and MEK/ERK pathways in IL-3 and GM-CSF-treated HSC and progenitor cells	39
3	Leukemia stem cell immunophenotyping - Tools for diagnostic, prognosis and therapeutics	61
4	WNT-5A/B signaling in hematopoiesis throughout life	83
5	Divergent effects of Wnt5b on IL-3- and GM-CSF-induced myeloid differentiation	109
6	Cell-intrinsic Wnt5 signaling reduces proliferative potential of ageing myeloid progenitors	135
7	Final Discussion	159
	Appendices	175
	Nederlandse Samenvatting	176
	Acknowledgements	182
	Curriculum Vitae	186
	List of Publications	188
