Single molecule studies on protein translocation in Escherichia coli
Tomkiewicz, Danuta

BIBLIOGRAPHY

unfolded polypeptides and the *Escherichia coli* chaperone SecB. Biochemistry, 34, 10078-10085.

unfolding of precursor proteins during mitochondrial protein import. EMBO J., 16, 6727-6736.

unfolding and translocation. EMBO J., 21, 3659-3671.
