Weil pairing and the Drinfeld modular curve

van der Heiden, Gerrit

IMPORTANT NOTE: You are advised to consult the publisher's version (publisher's PDF) if you wish to cite from it. Please check the document version below.

Document Version

Publisher's PDF, also known as Version of record

Publication date:

2003

[Link to publication in University of Groningen/UMCG research database](#)

Citation for published version (APA):

van der Heiden, G. (2003). Weil pairing and the Drinfeld modular curve Groningen: s.n.
