

## B. Noheda -Invited talks

### 2016

- Royal Society Meeting, workshop on "Domain Wall Functionality", London, February 2016
- APS March Meeting, Focus Topic: "Dielectric and Ferroic oxides", Baltimore (MD, US), March 2016
- MRS Spring Meeting- Symposium "Functional oxide heterostructures ", Phoenix (US), March 2016
- MRS Spring Meeting- Sympos. "Tuning Properties by Elastic Strain Engin.", Phoenix (US), March 2016
- COST Action TO-BE Spring Meeting, Warwick, April 2016
- CIMTEC-2016/5<sup>th</sup> Intal. Conference Smart and Multifunctional Materials, Perugia, June 2016
- 14<sup>th</sup> International Conference on Surface X-ray and Neutron Scattering, New York, July 2016
- Joint IEEE ISAF/ECAPD/PFM Conference in Darmstadt, August 2016 (**Plenary lecture**)

### 2015

- Yearly DPG Meeting of the German Physical Soc., Symposium on 'Domain Walls', Berlin, March 2015
- Yearly Meeting of the Dutch Vacuum Society (NEVAC), Groningen, April 2015
- Colloquium at Imperial College London, London, June 2015
- 13th European Meeting on Ferroelectricity, Porto, June 2015
- Bianual UK-NL Condensed Matter Meeting, Amsterdam, September 2015

### 2014

- "Simufer" COST meeting, Genoa, January 2014
- MRS- Spring Meeting, San Francisco, April 2014
- CIMTEC conference, Montecatini Term, June 2014,
- Gordon Conference 'Multiferroic & Magnetoelectric Materials', Biddeford, ME (US), August 2014
- NanoCity 2014: The New Event on Nanotechnology, Utrecht, October 2014

### 2013

- NWO-CW meeting, Veldhoven, Netherlands, March 2013 (Plenary talk)
- EMRS Spring Meeting, Symp. " Multifunct. binary and complex oxides films for micro-electronic appl." Strasbourg, May 2013
- Debye Colloquium, Utrecht University, The Netherlands, June 2013

### 2012

Eight invitations had to be refused or be given by a collaborator due to pregnancy, associated complications and maternity leave.

### 2011

- Colloquium at Dep. Chemical Engineering, TU Delft, The Netherlands, Feb. 2011
- Pre-meeting tutorial at the APS-March Meeting, Dallas, March 2011
- Piezo-response symp. (WW) at the MRS-Spring meeting in San Francisco, April 2011
- 20th IEEE Intal Symposium on Applications of Ferroelectrics, Vancouver, July 2011

### 2010

- Workshop on Fundamental Physics of Ferroelectrics, Aspen, Colorado, February 2010
- Intal. Symp. on Integrated Ferroelectrics (ISIF10), San Juan, Puerto Rico, June 2010(§)
- 3rd workshop for Emergent Materials Research (EMR), Postech, Korea, July 2010
- Symp. on Phase transitions in funct. perovskites, EMRS-Fall meeting, September 2010

### 2009

- Colloquium at the University of Geneva, May 2009
- Multiferroics Symposium at the MRS-Spring meeting in San Francisco, April 2009
- Oxides Interfaces Symposium at the MRS-Spring meeting in San Francisco, April 2009
- Physics Colloquium at the University of Groningen, April 2009

### 2008

- Ferroelectrics and Multiferroics symposium at the MRS-Fall meeting, Boston, December 2008
- India-Japan Workshop on Advanced Materials, Kolkata, India, February 2008
- 17th Intal. Symposium on Applications of Ferroelectrics, Santa Fe, US, February 2008

- Symposium on Ferroelectrics, ICMAB, Barcelona, Spain, January 2008

### **2007**

- Physics Seminar of the Max Planck Inst. and U. Stuttgart, Stuttgart, November 2007
- 11<sup>th</sup> European Meeting on Ferroelectricity, Bled, Slovenia, September 2007
- Workshop on the High Res. Beamline at PETRAIII, Hamburg, Germany, September 2007
- Ferroelectrics-UK 2007 Meeting, Dundee, Scotland, August 2007
- European School on Multiferroic Materials, Grenoble, France, July 2007
- MaReMaS-Seminar at the University of Leipzig, Germany, June 2007

### **2006**

- Physics Colloquium at the van del Waals-Zeeman Institute (U. of Amsterdam), September 2006
- *Rank Prize Symposium* on Electro-Optic Nanostructured Arrays, UK, September 2006
- *23rd European Crystallographic Meeting*, Leuven-Belgium, August 2006 (**Plenary Talk**)
- Talk at the 'Center of Excellence on Electric Fatigue'- TU Darmstadt, Germany, July 2006
- *NEVAC* (Dutch Vacuum Organization) *Meeting*, Groningen-Netherlands, April 2006
- *International Symposium on Integrated Ferroelectrics*, Honolulu-USA, April 2006
- *Fundamental Physics of Ferroelectrics*, Virginia-USA, February 2006

### **2005**

- *230th American Chemical Society Meeting*, Washington-USA, August 2005
- *Winter School on Piezoelectrics-EPFL*, Chateau-Deux-Switzerland, February 2005

### **2004**

- Seminar at the Institute of Physics ( Leiden University ), November 2004
- Seminar at *HASYLAB-DESY*, Hamburg- Germany, May 2004
- Seminar at the *Universidad Autonoma de Madrid*, Madrid- Spain, April 2004

### **2003**

- *Rosalind Franklin Fellowships Awards*, Groningen University, Groningen-The Netherlands, September 2003

### **2002**

- Seminar at the *Instituto de Ciencia de Materiales- CSIC*, Madrid- Spain, April 2002
- *Ferroelectrics-UK Meeting*, Leeds UK, March 2002

### **2001**

- *Workshop on Thermodyn. and Struct. Properties of Mat.*, Avignon-France, September 2001
- *10th International Meeting on Ferroelectricity*, Madrid-Spain, September 2001
- *20th European Crystallographic Meeting*, Krakow-Poland, August 2001
- *2nd Stig Lundqvist Research Conference* on the "Advancing Frontiers in Condensed Matter Physics: Non-conventional Systems and New Directions", Trieste-Italy, July 2001
- National Synchrotron Light Source Users Meeting, New York-USA, May 2001
- *103rd American Ceramic Society Annual Meeting*, Indianapolis, April 2001
- *American Physical Society March Meeting*, Seattle-USA, March 2001

### **2000**

- *7th European Powder Diffraction Conference*, Barcelona-Spain, May 2000
- Workshop on *Fundamental Physics of Ferroelectrics*, Aspen,Colorado-USA, February 2000
