

CURRICULUM VITAE J. (hans) ORMEL

Name: Ormel, Johan (calling name: Hans)
Office Address: Department of Psychiatry, University Medical Center Groningen,
Hanzeplein 1, P.O. Box 30.001, 9700 RB Groningen, The Netherlands
Home Address: Dilgtweg 16-A, 9751 NG Haren, The Netherlands
Telephone: Office 31-50-361 2078; Private 31-50-537 0962
E-mail: j.ormel@med.umcg.nl

CURRENT POSITION (effective from April 1, 1996)

Full Professor, Head Interdisciplinary Center for Psychiatric Epidemiology, Department of Psychiatry, University Medical Center Groningen, University of Groningen, Groningen, the Netherlands

EDUCATION

1964 Graduation HBS-B, Veenendaal, The Netherlands
1968 B.A. Sociology (research methods; medical sociology) University of Groningen
1969-70 Travel and observational study of health care practices in Central America
1973 M.A. Sociology (methodology, philosophy of science, medical sociology)
1980 Ph.D, University of Groningen, The Netherlands. Thesis: Moeite met leven of een moeilijk leven (a longitudinal population-based study of the synergistic effects of life stress and personality on common psychiatric symptoms). Promotores: Prof. dr. R. Giel, Prof.dr. I. Gadourek & Prof.dr. I. W. Molenaar.
1990 Spring Course: Time to Event Analysis, University of Washington, Seattle, USA
1993 Summer Course Epidemiology, Johns Hopkins School of Hygiene and Public Health, Baltimore, USA
1993 Registration as epidemiologist B
2004 Summer Course Behavioral Genetics. Centre for Social, Genetic and Developmental Psychiatry, Institute of Psychiatry, Kings College, London

CAREER

1970-1973 Student assistant, Department of Sociology, University of Groningen (RuG)
1974-1978 PhD student, Department of Psychiatry, RuG.
1978-1980 Official at the Long-term Planning Group, Office of Health and Environmental Protection, The Hague, The Netherlands.

- 1980-1984 Assistant professor, Department of Psychiatry (0.6 fte) & Project Leader, Northern Center for Health Studies (0.4 fte), RuG
- 1984-1994 Associate professor, Department of Psychiatry (0,6 fte) & Department of Health Sciences (0,4 fte), RUG
- 1985 Visiting fellow, Social Psychiatry Research Unit, Australian National University, Canberra, Australia (3 months)
- 1990-1991 Visiting professor, Department of Psychiatry and Behavioral Sciences, University of Washington & Center for Health Studies, Seattle, USA (12 months)
- 1993 Visiting professor, Center for Health Studies, Seattle, USA (2 months)
- 1994-1996 Professor of Social Epidemiology, Department of Health Sciences, RuG
- 1996- Professor, Chair Unit of Social Psychiatry and Psychiatric Epidemiology, Department of Psychiatry, RuG
- 1997-2001 Visiting Professor, Institute of Psychiatry & MRC Centre for Social, Genetic and Developmental Psychiatry, London (10%)
- 2002 Fellow-in-Residence. Netherlands Institute for Advanced Study in the Humanities and Social Sciences of the Royal Netherlands Academy of Arts and Sciences, Wassenaar (6 months)
- 2001- Principal Investigator of the Tracking Individual Lives Survey (TRAILS)
- 2007- Program Director of the Interdisciplinary Center for Psychiatric Epidemiology, UMCG. The ICPE is collaborative unit of the Departments of Psychiatry, Epidemiology, and Internal Medicine.

**GENERAL CONTRIBUTIONS SINCE 1990
(SELECTION FROM CURRENT AND RECENT ACTIVITIES)**

Administrative activities

- Head Unit of Social Psychiatry and Psychiatric Epidemiology of the Department of Psychiatry, UMCG
- Program director Interdisciplinary Center for Psychiatric Epidemiology UMCG/.
- Member Research Committee University of Groningen
- Member Research Committee UMCG
- Member Teaching and Research Committees, Department of Psychiatry, UMCG
- Chair VIDI grant committee UMCG
- Chair EU-ERC grant committee UMCG
- Member IDKO (quality control of clinical studies) committee UMCG

- Member and vice-chairman of multiple committees of ZONMW and MAGW (NWO)
- Member of RGO-committee on Basispakket Health Care
- Member of the advisory board Monitoring Mental Health of the Department of Health
- Advisor to Dr. Sartorius, Director of WHO's Mental Health department

- Organizer of various national and international conferences (e.g. the biannual meeting of the Epidemiology Section of the World Psychiatric Association in Groningen; PUK / UCP symposia; RGOc conferences)

- Member of the editorial board of various Journals (e.g. Tijdschrift Sociale Geneeskunde, Int J for Methods in Psychiatric Research)
- Invited reviewer for JAMA, Arch Gen Psychiatry, Soc Psych and Psych Epidemiology, Psychol Med, J Aff Dis, J Gerontology, Eur J Epidemiology, Am J Psychiatry, Health & Psychology, J of Abn Psychology, J Health and Social Behavior, J Psychosomatic Research, J Personality, Personality Disorders, J Abn Psychology, Dutch Journals.

- Invited (plenary) speaker on international conferences (3-5 per year)

- Invited speaker at Scientific Meetings and Training Programs in the Netherlands (5-10 per year)

Teaching

- Medical and Dental School Curriculum (e.g. supervision of practical training, tutor groups, seminars & lectures on methodology and epidemiology)
- Psychiatrists in training (lectures, supervision practical training and research projects)
- Post-academic teaching programs for clinical psychologists and general practitioners
- Graduate Research School BCN and EPP (lectures on psychiatric epidemiology and supervision of PhD projects)
- Graduate school SHARE Board member Research Master Clinical and Psychosocial Epidemiology. – Programleader Psychiatric Epidemiology
- Director Psychiatric Epidemiology Teaching Program.
- Member Admission and Exam committees Research Master Clinical and Psychosocial Epidemiology.

Research

- Principal investigator of multiple projects funded by NWO, Government, EU, and Charity (e.g. National Foundation for Mental Health, Heart Foundation, Cancer Foundation)
 - Tracking Adolescent Individual Lives' Study (TRAILS; www.trails.nl)
 - Myocardial Infarction and Depression-Intervention Trial (MIND-IT)
 - Intervention Study EersteLijn (INSTEL)
- PhD assessment committees of multiple Dutch universities
- Member of the advisory board of NEMESIS I and II
- Member of the Scientific Committee of ESEMeD (till 2007)
- Member of the Scientific Steering Committee of LIFELINES, UMCG (till 2009)
- Member Steering Committee of the Longitudinal Aging Study Amsterdam (till 2005)
- Member Advisory Board of Primary Care Research projects of Max Planck Institute for Psychiatry in Munich, Germany (till 2006)

- Grant reviewer for ZONMW, MAGW, Wellcome Trust, and various Foundations.
- Member of the World Mental Health Survey Initiative, led by Ron Kessler (Harvard) and Bederhan Ustun (WHO) (www.hcp.med.harvard.edu/wmh)
- Member of various other research consortia on Intervention Studies on Depression (MOMENT, PROMESIS;)

Memberships in various associations: Not listed

RECENT AWARDS AND RESEARCH GRANTS (SINCE 1983)

- 2009 Award from the Dutch Psychiatric Organization for scientific excellence.
NFGV Production Video for Prevention Recurrence of Depression program (75 kf)
- 2008 Social Science Research Council – Investment grant application: Social and Psychological Developments during Adolescence: Psychiatric Diagnoses and Contextually Rated Life Events (co-applicant; PI = prof. Oldehinkel UMCG). 800 k€ for TRAILS..
- 2007 ZonMW- Verslavingsprogramma: .Risk behaviour and Dependency. From initiation of substance use to substance use disorders. Developmental trajectories from early adolescence into young adulthood. (co-applicant; PI = prof. Vollebergh UU). 750k€ for TRAILS.
- 2007 Stanley Foundation Tracing psychotic experiences after infection (co-applicant; PI = dr. H. Klein). (150k€.)
- 2006 BCN PhD grant for neuroimaging in twins discordant for neuroticism (Modinos; PI = prof. A. Aleman).
- 2005 BCN and UMCG. PhD Grants for Trails (Noordhof, with Oldehinkel) and Twins (vacancy; with prof.A. Aleman, PI).
- 2004 Award for Best Researcher of Groningen University Medical Center (100 k€)
- 2004 NWO-Investment Grant Large. ENRICHING TRAILS. PI is J.Ormel (1.500 k€)
- 2003 ZonMW Geestkracht. (Mindpower). Dutch Developmental Epidemiological Studies of Child/Adolescent Health, consisting of TRAILS (Groningen) and GENERATION-R Rotterdam). TRAILS: PI's: J. Ormel & F. Verhulst (1.919 k€).
- 2003 ZonMW Geestkracht (Mindpower). Netherlands Study of Depression and Anxiety (NESDA). I am a member of the grant holding NESDA consortium. (3,800 k€).
- 2001 MAGW – The Social component of TRAILS. Lindenberg, Ormel & Verhulst (450 kf)
- 1999 ZON-Mw & Ontwikkelingsgeneeskunde Ziekenfondsraad - Cost-effectiveness of a recurrence prevention program for depression in primary care (INSTEL-2). J.Ormel (800 kf).
- NWO-MW CZ 940-38-011: J. Ormel. Mental health from preadolescence into adulthood: risk concentration & dilution, turning points, and unmet need (TRAILS) (1.000 kf)

- 1998 NWO-MW CZ-NPA 940-33-041: W.van Tilburg, M.W.Ribbe, J.Ormel: Depression in long-term care facilities: prevalence, course, consequences, physical comorbidity (600 kf)
- Dutch Heart Foundation 97.016. J. Ormel. Treatment of depression in myocardial infarction patients; effects on medical outcomes and quality of life (MIND-IT study). (1.200 kf)
- 1995 NWO Medical Sciences, # 904-54-562. Title project: Determinants of recovery from fractures by falls in the elderly (with Dr. R.Kempen) (150,000)
- NWO Medical Sciences, # 904-57-068. Title project: Origins of Depression in the elderly: a nested case-control study (150,000)
- NWO Medical Sciences, # 904-57-069. Title project: A vulnerability-accumulation model as explanation of the long-term outcome of depression (with Dr. A.L.Bouhuys) (300,000)
- Selected by NWO-CZ to submit two grant proposals in the Chronic Disease program of NWO:
- 1) Preventing transition from acute to chronic major depression: a randomized controlled trial (with prof.dr.PMG Emmelkamp and Dr. K.van der Meer)
 - 2) Accumulation of vulnerability factors in unipolar depression: interrelationships between biological and psychosocial domains (with Dr. A.L.Bouhuys and Prof.dr.R.H. van den Hoofdakker).
- 1994 NWO Social Sciences, # 510-79-411. Title project: Effects of bereavement on health and quality of life (with Prof.dr.S.M.Lindenberg) (120,000)
- 1993 NWO-program Quality of Care, #940-20-036. Title project: The effects on the process of care and patient outcomes from a physician training program using protocols with regard to the diagnosis and management of common psychiatric disorders in primary care (with Dr. W. van den Brink and K. van der Meer) (220.000)
- 1992 Steering Committee NESTOR. Title project: The Groningen Longitudinal Aging study on Functional Status and Need for Care of Older People (730,000)
- Dutch Foundation for Mental Health. Title project: The development of a training program for GPs to improve detection, diagnosis and treatment of psychiatric disorders (75,000)
- Dutch Cancer Foundation. Title project: Psychosocial factors and the course of cancer-associated quality of life (with R.Sanderman). (260,000)
- 1990 The Social and Cultural Planning Office (40,000)
- De Lagrange International (100,000)
- 1988 Medigon Foundation NOW, #900-556-050 (140,000)
- Office of Social Welfare, Health and Culture (50,000)

1986 Social Science Foundation, NOW, # 500-277-002 (140,000)

Office of Social Welfare, Health and Culture (65,000)

Medigon Foundation, NOW, # 900-556-037 (100,000)

1985 Medigon Foundation for Mental Health, # 2248 (35,000)

Health Organization, TNO, # 900-556-002 (160,000)

Prevention Fund, # 28-1209 (220,000)

Office of Social Welfare, Health and Culture (60,000)

1984 Medigon Foundation, NOW, # 900-556-003 (100,000)

1983 Dutch Foundation for Mental Health, # 1973 (80,000)

< 98 More than 10 grants in the preceding years including 1.8 million for the Groningen Longitudinal Aging study in 1992 (NESTOR program NWO).

Subsidies voor INSTEL, DEPRIMI. MIND-IT, GLAS toevoegen.

PHD THESES (CO-)SUPERVISED BY J. ORMEL (HANS)

Sanderman, R. (1988). Life events, mediating variables and psychological dysfunctioning. PhD thesis, University of Groningen. Promotor: WJA van de Heuvel. Referent (copromotor): J. Ormel. Sanderman is now professor of Health Psychology at the UMCG and RuG

Brink, W van den. (1989). Meting van DSM-III persoonlijkheids-pathologie: Betrouwbaarheid en validiteit van de SIDP-R en as II van de DSM-III. PhD thesis, University of Groningen. Promotor: R. Giel. Copromotor (referent): J. Ormel. Van den Brink is now professor of epidemiology of substance addiction and abuse at the UvA.

Wilmink, F. W. (1989). Patient, physician, psychiatrist: assessment of mental health problems in primary care. PhD thesis, University of Groningen. Promotor: R. Giel. Copromotor (referent): J. Ormel. Wilmink is now 'Opleider' Psychiatry at GGz Drenthe and clinical psychiatrist at Wilhelmina Ziekenhuis Assen.

Sonderen, E. (1991). Het meten van sociale steun. PhD thesis, University of Groningen. Promotor: FN Stokman. Copromotor (referent): J. Ormel. Sonderen is now assistant professor at the RuG.

Koeter, M.W.J. (1992). Wat is ons eigen oordeel waard: De vragenslijstmethode in de psychiatrie. PhD thesis, University of Groningen. Promotor: R. Giel. Copromotor (referent): J. Ormel. Koeter is now associate professor at the UvA.

Dijkstra, P. (1993). Gaat angst over. PhD thesis, University of Groningen. Promotor: R. Giel.

Copromotor (referent): J. Ormel. Unknown.

Meer, K. van der (1994). Patienten met psychische en sociale problemen in de huisartspraktijk. Promotor: G Bremer. Copromotor (referent): J. Ormel. Van der Meer is now professor of General Practice at the UMCG / RuG.

Linschoten, P. (1994) Gezondheidsbeleving van ouderen. Promotor: WJA van de Heuvel. Copromotor: J. Ormel. Linschoten has now his own company.

Busschbach, J. van (1996). Uit het oog, uit het hart. Promotores: F.N. Stokman, J. Ormel & H. Flap. Van Busschbach is now research fellow at the RuG

Steverink, N. (1996). Zo lang mogelijk zelfstandig. Promotores: S. Lindenberg & J. Ormel . Steverink is now associate professor at the RuG.

Neeleman, J. (1997). The social and epidemiological context of suicidal behavior. Promotores: J. Ormel & S. Wessely. Neeleman is now professor of Psychiatric Epidemiology at UU.

Nieboer, A.P. (1998). Life events and Well-being. Promotores: S. Lindenberg & J. Ormel. Nieboer is UD at the Department of Policy and Management of Health Care at the Erasmus Medical Center, Erasmus University Rotterdam

Tiemens, B.G. (1999). Management of mental health problems in primary care. Promotores: J. Ormel & W.v.d. Brink. Tiemens is now head of the section services research at the 'Gelderse Roos Instituut'.

Vollema, M. (1999). Schizotypy: toward the psychological heart of schizophrenia. Promotores: R.v.d. Bosch & J. Ormel. Vollema is a practicing clinical psychologist.

Van den Berg (2002). Depression in the elderly. Promotor J. Ormel. Co-promotores A.J. Oldehinkel & A.L Bouhuys. Van den Berg is AGIO at the department of Medical Genetics University Hospital Groningen.

Van Os, T.W.D.P. (2003). Pandorra's box. How to improve treatment and outcomes of depression in primary care? Promotor: J. Ormel, co-promotor: RHS van den Brink. Van Os works as a clinical psychiatrist in the Mental Health services..

Have, M.L. ten (2004). Care service use for mental health problems in the general population: trends and explanations Promotores: Prof.dr. J. Ormel, Prof.dr. W.A.M. Vollebergh. Is senior researcher at Trimbos Institute.

Batstra, L. (2004). Difficult birth, difficult life? Promotores: Prof.dr. J. Neeleman, Prof. dr. M. Hadders-Algra, Prof. dr. J. Ormel. Batstra-Van der Tuin is clinical psychologist at Accare.

Wals, M. (2004). Children of bipolar parents . Prevalence of psychopathology and antecedents of mood disorders Promotores: Prof.dr. J. Ormel, Prof.dr. W.A. Nolen. Wals is clinical psychologist and researcher at ErasmusMC.

Eisses, A.M.H. (2005). Depressie bij verzorgingshuisbewoners: prevalentie, incidentie,

risicofactoren en effecten van vroegsignalering. Promotor: Prof.dr. J. Ormel. Copromotor: Dr. H. Kluiters. Eisses has a clinical and management job in the Mental Health services..

Melle, J. van (2005). Depression after myocardial infarction: etiological, prognostic and therapeutical aspects. Promotores: Prof.dr. J. Ormel, Prof.dr. D.J. van Veldhuizen. Copromotores: Dr. P. de Jonge, Dr. M.P. van den Berg Van Melle is cardiologist at the UMCG.

Bos, E.H. (2005). Interpersonal mechanisms in recurrence of depression. Promotor: Prof.dr. J. Ormel. Copromotores: Dr. A.L. Bouhuys, Dr. E.A.H.M. Geerts. Bos is researcher at Lentis.

Reichart, C.G. (2005). Being a Child of a Bipolar Parent: psychopathology, social functioning and family functioning Promotores: Prof.dr. F.C. Verhulst, Prof.dr. J. Ormel. Reichart is researcher and psychiatrist at Accare.

Sondeijker, F.E.P.L. (2006). Neuroendocrine and Autonomic Risk Factors for Disruptive Behaviors in Adolescents Promotores: Prof.dr. F.C. Verhulst, Prof.dr. J. Ormel. Sondeijker is postdoc at UU.

Brunnekreef, J.A. (2007). Information processing and problem behavior in preadolescents. Promotores: Prof.dr. J. Ormel, Prof.dr. R.B. Minderaa. Copromotores: Dr. M. Althaus, Dr.ir. L.M.J. de Sonnevile Brunnekreef is postdoc at Accare.

Conradi, H.J. (2007). Depression in primary care: an empirical study on treatment effects and risk factors. Promotores: Prof.dr. J. Ormel, Prof.dr. P.M.G. Emmelkamp. Copromotor: Dr. P. de Jonge Conradi is postdoc at UCP (UMCG).

Dietrich, A (2007). Autonomic nervous system function and behavioral characteristics in (pre)adolescents from a general population cohort. Promotores: Prof.dr. J. Neeleman, Prof.dr. J. Ormel. Copromotor: Dr. J.G.M. Rosmalen. Dietrich is postdoc at Accare.

Jabbi, M. (2007). Integrating the Homeostatic Imbalances. Genetics and Physiology of Stress and the Emotions. Promotores: Prof.dr. J.A. den Boer, Prof.dr. J. Ormel, Prof.dr. C. Keyzers. Jabbi is postdoc at NIMH in US.

Hillegers, M. (2007). Developing Bipolar Disorder. A follow-up study among children of patients with bipolar disorder. Promotores: Prof.dr. W.A. Nolen, Prof.dr. F.C. Verhulst, Prof.dr. J. Ormel. Psychiatrist and assistant professor at UU.

Smit, J. (2007). Improving long-term outcome of major depression in primary care: the role of recurrence prevention. Promotor: Prof.dr. J. Ormel. Copromotor: Dr. B.G. Tiemens. Smit is researcher at Gelderse Roos.

Landman-Peeters, K.M.C. (2007). At risk of depression and anxiety. Promotores: Prof.dr. J. Ormel, Prof.dr. J.A. den Boer. Copromotor: Dr. C.A. Hartman. Landman-Peeters is now teaching at HBO.

Spijkerman, T. (2007). Specifying the influence of post-myocardial infarction depression on cardiovascular prognosis. Promotor: Prof.dr. J. Ormel. Copromotores: Dr. R.H.S. van den Brink, Dr. P. de Jonge . Spijkerman is now working as a psychiatrist with LENTIS.

Greaves-Lord, K. (2007). Roots of Anxiety. The role of cardiovascular regulation and cortisol in the

development of anxiety in early adolescence. Promotores: Prof.dr. F.C. Verhulst, Prof.dr. J. Ormel. Greaves-Lord is now working as Postdoc at the Erasmus University Rotterdam

Buist-Bouwman, M.A. (2007). Functional limitations associated with mental disorders. Inescapable fact or avoidable reality? Promotores: Prof.dr. J. Ormel, Prof.dr. W.A.M. Vollebergh. Copromotor: Dr. R. de Graaf. Buist-Bouwman is now working as a psychologist at the nursing home "Nieuw Graswijk" in Assen.

Amone, KP (2009). Examining the link between socio-economic position and mental health in early adolescents. Promotores: Prof.dr.J.Ormel, Prof.dr.A.J.Oldehinkel. Copromotor: Dr.H.Burger.

Tak, LM (2010) Dysfunction of stress responsive systems in somatization. Promotores: Prof.dr.J.Ormel, Prof.dr.J.P.J.Slaets. Copromotor: Dr.J.G.M.Rosmalen. Dr.Tak will start her specialist training in psychiatry at Dimence (Deventer).

Noordhof A (2010). The absence of a gold standard. Promotores: Prof.dr.J.Ormel, Prof.dr.A.J.Oldehinkel. Dr. Noordhof started as senior researcher at the department of Psychology, University of Amsterdam.

Bouma EMC. (2010). The sensitive sex. Depressive symptoms in adolescence and the role of gender, genes and physiological stress responses. Promotores: Prof.dr. A.J.Oldehinkel, Prof.dr. J.Ormel. Copromotor: Dr.H.Riese. Dr. Bouma started as senior researcher at the ICPE, University Medical Center Groningen.

Bakker MP. (2010). Stressful life events and adolescents' mental health. The TRAILS study. Promotores: Prof.dr.A.J.Oldehinkel, Prof.dr.J.Ormel. Dr. Bakker started as researcher at NIVEL.

Bosch NM. (2011). Adolescents in stress. The ups and downs of the psychophysiological stress response. Promotores: Prof.dr.A.J.Oldehinkel, Prof.dr.J.Ormel. Copromotor: Dr.H.Riese. Dr. Bosch started as senior researcher at the ICPE, University Medical Center Groningen.

Scheduled (12)

2011

- Zuidersma, Marij. Promotores: Prof.dr.P.de Jonge, Prof.dr. J.Ormel. Copromotor: Dr.H.J.Conradi.

- Kingma, Eva. Promotores: Prof.dr.J.Ormel, Prof.dr.P.de Jonge. Copromotor Prof.dr. J.G.M.Rosmalen

2012

- Laceulle, Odilia. Promotores: Prof.dr.J.Ormel, Prof.dr.M.A.van Aken

2013

(INTERNATIONAL PRESENTATIONS

Since 1995: On average 8-12 per year. Increasingly on invitation.

3-6 June 2001. Baltimore. WPA Conference. Two lectures. Title: The etiology of common mental disorders: elaborations and new developments. The dynamic stress-vulnerability model. Title second lecture: Temporal and reciprocal relationship between disability and depression.

6-8 September 2010. Zurich. 2nd International Zurich Conference on Clinical and Social Psychiatry. Title lecture: Social factors in the onset and remission of depressive episodes: in particular the interplay of personality, gender and life events.

7-10 November 2001. Amsterdam. 8th Conference of the International Society for Quality of Life Research. Plenary lecture. Title: Mental health and quality of life.

22-24 November 2001. Maastricht Tryptich Congress on Stress in Psychiatry. Title: The interplay of personality and experience in onset and remission of depression: evidence for the dynamic stress-vulnerability model.

9-12 March 2002: Sicily. ISAD Conference Sicily. Title lecture: Interaction between distal and proximal risk factors in the aetiology of common mental disorders.

2-5 October 2002: Lisbon. International Congress on Health Psychology. Title lecture: Emotional disorders and disability. A life span perspective.

5-9 October 2002: Barcelona. 15th ENCP congress. Two lectures. Title: The interplay of distal and proximal risk factors in the aetiology of depression and anxiety. Second lecture: Disability and quality of life impact of mental disorders in Europe.

9-11 July 2003 WPA conference Paris. Theory, Evidence and psychiatric epidemiology. Title lecture: Mental disorders: disability and quality of life in six European countries.

19-22 November 2003 DGKPPN (Deutsche Gesellschaft für Psychiatrie, Psychotherapie und Nervenheilkunde). Berlin.

Title lecture: Towards stepped care for depression – Dutch research in primary care.

5-10 March 2004 ISAD conference Cancun Mexico. Title lecture: family-based genetic loadings, temperament, and internalizing and externalizing disorders in 10-12 year old children. A TRAILS report.

31 March – 2 April 2004. Spring Conference Dutch Psychiatric Association, Maastricht. Title lecture: family based genetic loadings, temperament, and internalizing and externalizing disorders

23- 27 June 2004. WPA Mannheim . Lecture on: determinants and consequences of psychiatric illness.

25-30 juli 2004. Participation in Summerschool IoP the MRC Social, Genetic and Developmental Psychiatry Research Centre.

10-13 september 2004. Two lectures during IFPE conference on "common mental disorders across the life-course" Bristol.

1. Title: Vulnerability before, during and after a major depressive episode. A three wave population based study
2. Tracking Individual's Life Study (TRAILS). First results on family history, temperament and psychopathology.

16 november 2004. Co-organizer of RGOc symposium Stepped Care and Recurrence Prevention: Experiences from the UK, US, Germany and the Netherlands – Groningen

18 november 2004. Chair during PUK symposium. Nieuwe ontwikkelingen in de psychofarmacologie.

10 februari 2005 Congres Soesterberg on “Anxiety and depression across the life span”. Title lecture: “the life span perspective on anxiety and depression: from childhood to young adulthood”

22 februari 2005 - BCN Junior Class Triple B lectures with Ruud Minderaa on " Why does childhood psychopathology often persists into adulthood: mechanisms of continuity' Collegezaal 021, A.Deusinglaan 1

24 februari 2005 Cursus Depressie en Rol functioneren Health & Psychology. Title lecture: Depression and disability - Hotel Mitland, Utrecht.

23 april 2005 – Lecture: Vulnerability before, during and after an MDE during congres Belgian Association Biological Psychiatry - Gent.

3 – 5 maart 2006 ISAD conference Lisbon. Title lecture: Adolescent depression: person-environment correlations and interactions.

5-8 maart 2006 NICE 14th European Congres of Psychiatry: Lecture on: Management of most common mental disorders.

17-21 maart 2007. Lecture during AEP congres in Madrid. Title: Should long-term outcome play a role in classification? Considerations from European primary care research on affective disorders.

3-6 mei 2007. Two lectures during IFPE congres Göteborg.

Lecture May 4: "Temperament, environment, and psychopathology: observations from the tracking adolescents' individual lives survey

Lecture May 5: "Improving the long-term outcome of recurrent depression: a RCT of a recurrence prevention program.

20-21 juni 2007. Participation GAD conference in London

23-29 juni 2007. Participation WMH Survey Consortium Annual Meeting in Portsmouth USA.

8-9 november 2007. Lecture during najaarscongres Gedrags- en cognitieve therapie in Velthoven. Title: Kwetsbaarheid voor, tijdens en na een depressie: individu-specifieke dynamische evenwichten?

15-17 november 2007. Lecture during 5th International Meeting on the Early Phases of Mental Illness in Santander Spanje. Title: Vulnerability and stress in the etiology of first and recurrent episodes of depression.

14-17 maart 2008 ISAD conference in Capetown. Chair symposium on Stress-reactivity and depression.

25-28 juni 2008. European Conference on Psychosomatic Research in Zaragoza. Chair and discussant plenary session on heterogeneity of depression following myocardial infarction and the importance of identifying relevant subtypes.

10-11 februari 2009: 14th International Symposium Advances in Psychiatry in Madrid. Plenaire lezing "Vulnerability and stress in the etiology of depression".

1-3 april 2009 Voorjaarscongres NVvP in Groningen: Lezing "Emotionele en gedragsproblemen

tijdens de adolescentie: de rol van temperament-omgeving interacties”. Op voorjaarscongres eervolle vermelding voor de Wetenschap gekregen.

16-19 april 2009 12th International Congress of the International Federation of Psychiatric Epidemiology in Wenen. Plenaire lezing “Comorbidity among DSM-IV disorders in the WHO Mental Health (WMH) Surveys”.

17-20 juni 2009 ISRCAP conference Seattle. Titel lezing “Depression and other problems during early adolescence: The role of family environment-temperament interactions. The TRAILS study.

22-26 juli 2009. WMH Meeting in Saratoga Springs.

8-9 oktober 2009. Ontwikkelingen in de Geneeskunde. De Doelen Rotterdam. Titel lezing “Emotionele problemen in de puberteit: Pech met je temperament, de omgeving of beide”?

16-19 april Vancouver 5th ISAD Biennial conference lezing: “Internalizing problems during adolescence: the role of temperament-environment interactions in the TRAILS study.”

21 juni 2010: Lezing bij afscheid Prof.dr.R.J.van den Bosch: “De oorzaken van psychopathologie”

16-19 juni 2010:Bergen Noorwegen: EPA section Epidemiology and Social Psychiatry chair symposium: “Children and adolescents: consequences in offspring”. Lezing: “Depression and the progression of coronary artery disease: towards an integrative causal model”

30 juni-2 juli 2010: Innsbruck ECPR/EACLPP conference: Lezing: “Cognitive versus somatic depression: a model that integrates the inconsistent literature”.

6-11 juli 2010: Lissabon WMH Meeting:

14-17 oktober 2010: Montreal Life History Research Meeting: Lezing: “ The interaction between BDNF, 5-HTTLPR and childhood adversities on depression scores could not be replicated in the TRAILS study”.

20 January 2011: Groningen: University Center of Psychiatry Conference. Title: Neuroticism revisited.
