

Curriculum vitae Roel Jonkers

Date of birth: August 14, 1969 (Onna; Steenwijkerwold, NL)
Address: Ralreiger 24, 7827 VC Emmen, the Netherlands
Phone: +3106-30547200
E-mail: r.jonkers@rug.nl

Date: 29-12-2020

1. Educational background

a. Education

11-6-1998: PhD, University of Groningen (title thesis: Comprehension and production of Verbs in aphasic Speakers)
1987 - 1993: MA Dutch Language and Literature, University of Groningen (with distinction); specialization: Psycholinguistics
1981 - 1987: Gymnasium α , Rijksscholengemeenschap "Jan Hendrik Tromp Meesters" Steenwijk.

b. Qualifications

- Basis Kwalificatie Onderwijs (BKO); Qualification for teaching at all university levels
- Qualification for teaching in English (Talencentrum Letteren; Language Centre Faculty of Arts)
- Certificate course Rules and Organization for Clinical Researchers (BROK)

2. Occupational background

a. Scientific

2018 – to date Vice dean Faculty of Arts (University of Groningen), responsible for education and internationalization
2017: Adjunct professor of the doctoral faculty of the Graduate School and University Center's PhD Program in speech-language and hearing Sciences, City University of New York (0 fte)
2014 – to date Associate professor (1,0 fte) at the department of Linguistics (University of Groningen). Specialization: Neurolinguistics; Local coordinator European Master in Clinical Linguistics
2003-2014: Assistant professor (1,0 fte) at the department of Linguistics (University of Groningen). Specialization: Neurolinguistics; Local coordinator European Master in Clinical Linguistics; from 2011: Student Counsellor MA Speech and Language Pathology
2004-2008: Student counsellor (BA and MA Linguistics and Speech and Language Pathology)
2000-2003: lecturer (0,45 fte) at the department of Linguistics (University of Groningen). Specialization: Neurolinguistics. Local coordinator European Master in Clinical Linguistics

- 1998-2000: lecturer (0,2 fte) at the department of Dutch Language and Literature (University of Groningen)
- 1998-2000: freelance lecturer at the department of Speech Therapy of the Hanze University Groningen
- 1993-1997: PhD-student at the department of Dutch Language and Literature of the University of Groningen, financed by the Dutch Organization for Scientific Research (NWO).
- 1992-1993: student-assistant at the department of Linguistics of the University of Groningen

b. Management

- 1997-2003: Policy officer Research, Faculty of Arts (University of Groningen) (0,6 fte)
- 2000: Policy officer Internationalization, Faculty of Arts (University of Groningen) (0,4 fte)
- 1997-1998: Policy officer Dyslexia (0,5 fte), Dutch Organization for Scientific Research (NWO).
- 1990 - 1992: student-member of the Board of the Faculty of Arts (paid position; University of Groningen).

3. Management, memberships, conference and workshop organization

a. Conference and workshop organization

- 2019: Program Committee and chair abstract selection committee 20th Science of Aphasia Conference. Rome (Italy)
- 2018: Program Committee and chair abstract selection committee 19th Science of Aphasia Conference. Venice (Italy)
- 2017: Program Committee and chair abstract selection committee 18th Science of Aphasia Conference. Geneva (Switzerland)
- 2016: Chair abstract selection committee 17th Science of Aphasia Conference. Venice (Italy)
- 2015: Chair abstract selection committee 16th Science of Aphasia Conference. Aveiro (Portugal)
- 2014: member Scientific organizing committee 15th Science of Aphasia Conference in Venice (Italy); chair of the abstract selection committee
- 2013: organisator Workshop Universals in the Semantic Representation of Verbs and Nouns (invited; Leiden, 26 Oktober 2013)
- 2013: member Scientific organizing committee 14th Science of Aphasia Conference in Brussels (Belgium); chair of the abstract selection committee
- 2012: member Scientific organizing committee 13th Science of Aphasia Conference, Groningen (NL)
- 2011: member Scientific organizing committee 12th Science of Aphasia Conference, Barcelona (Spanje)
- 2010: scientific coordinator programme 11th Science of Aphasia Conference, Potsdam (Germany)
- 2009: chair of the program committee of the 10th Science of Aphasia Conference, Antalya (Turkey)

- 2008: chair of the programme committee of the 9th *Science of Aphasia*, Chalkidiki (Greece)
- 2006: member programme committee 6th *Science of Aphasia*, Alghero (Italië)
- 2004: member organisation TABU-day, Groningen (lectures in Linguistics)
- 2003: member organisation 4th *Science of Aphasia* Conference, Trieste (Italy), August 22-27
- 1996: organisation Aphasietagung der Arbeitsgemeinschaft für Aphasieforschung und -behandlung in Groningen (November 7-9, 1996)
- 1993 - 1996: member organisation 4 TABU-days (Lectures in linguistics)

b. management

- 2021 Chair Consortium Erasmus Mundus European Master in Clinical Linguistics
- 2021 Member Taskforce UG Lesson the work
- 2020 Member Taskforce UG Employability strategy 2020-2025
- 2020 Member External Evaluation Committee Master (MSc) in Sciences in Developmental Communication Disorders (SDCD), Faculty of Health sciences, Cyprus University of Technology, Limassol, Cyprus. On behalf of the Cyprus Agency of Quality Assurance and Accreditation in Higher Education
- 2020 – 2021 Chair Taskforce Education UG 2020-2021
- 2020 – to date Member crisis team Faculty and University
- 2020 – 2023 Member FWO (Flemish fund for Scientific Research) Review College (panels 2021-2023)
- 2019 – to date Member Steering Committee Future of the Learning Environment
- 2019 – to date Chair Educational Strategy Committee University of Groningen (COS)
- 2019 – 2020 Member Advisory Board Summer and Winter Schools UG
- 2018 – to date Member Advisory Board Honours College UG
- 2018 – to date Member Advisory Board Centre for Information Technology, UG
- 2018 – 2020 Chair Steering committee Envoie UG
- 2018 – 2020 member Steering Committee Stuurgroep Study advance fund, UG
- 2018 – to date Chair AfasieNet (Dutch aphasia organization)
- 2018 – 2019 member Open Competition Social Sciences and Humanities committee, Dutch Organisation for Scientific Research NWO
- 2018: Programme Coordinator BA linguistics and MA track Neurolinguistics
- 2017: Member Rubicon-committee (scholarships for mobility of recently graduated PhD students); Dutch Organisation for Scientific Research NWO
- 2017: Member committee Course workload Faculty of Arts
- 2016: Member Advisory Board Linguistics
- 2015-2016: Member Steering committee Minors (Faculty of Arts)
- 2015: member advisory board research institute CLCG
- 2014-2015: member committee Restructuring minors (Faculty of Arts)
- 2014: member Scientific Advisory Board Centre for Linguistics, Free University Brussels
- from 2013: member COST-Working Group Assessment & Outcomes (COST-programma Collaboration of Aphasia Trialists; ISCH1208)
- 2010-2016: member Education Committee Faculty of Arts (FOO)

2010-2015: member thesis price committee Graduate school for Behavioral and Cognitive Neurosciences, BCN

from 2013: Chair Scientific Committee Aphasia Network

2009-2018: secretary Board of the Department of Linguistics

2006-2019 member Advisory Board BA Speech Therapy

from 2006: member scientific committee *Science of Aphasia*

from 2005: member editorial board Journal Stem-, Spraak- en Taalpathologie (Voice, Speech and Language Pathology)

2005: member Course committee Research Master Linguistics

2004: invited participant Evaluation Seminar SOCRATES-ERASMUS CD-projects 1997-2001 (15 -16 Oktober 2004, Brussels)

2003: member Web Platform committee, Faculty of Arts

2000 - 2001: member Discussion group Human Research Policy (University of Groningen)

1993 - 1997: member Board of the Department of Dutch Language and Literature

1996 - 1997: member committee World Wide Web (Faculty of Arts; RUG)

1995 - 1996: member editorial board Yearbook Language and Cognition

1995 - 1996: member Scientific Committee Faculty of Arts (RUG)

1994 - 1997: chair BCN-PhD-council (Graduate school for Behavioural and Cognitive Neurosciences)

1992 - 1997: member Public Relations Committee (Faculty of Arts, RUG)

1987 - 1993: as a student: member course committee and Board of the Department of Dutch Language and Literature, member Faculty Council, chair student participation Faculty Council, member Education Committee Faculty of Arts; student-advisor Council Arts and History, Association of Universities in the Netherlands (VSNU); member Committee Student policy (University of Groningen)

4. Teaching

Until now, I taught 126 courses (both individual or with colleagues) at BA or MA level in the programmes of Linguistics (BA, MA and Research Master), Speech and Language Pathology (MA), European Master in Clinical Linguistics (MA), Dutch Language and Literature (BA), Speech Therapy (BA, Applied Sciences). An overview of the courses may be found in appendix 1. Topics of my courses are Aphasiology, Language and speech disorders, Clinical Assessment, Psycholinguistics, Neurolinguistics, Mental Lexicon, History of Aphasia

Until now, I supervised 142 MA theses and more than 75 internships (theses see appendix 2)

I was a guest teacher (Erasmus Exchange) at the University of Joensuu/Eastern Finland (11 times during the last 12 years) and was also a guest teacher in programmes of the department of Medicine and Biology several times (minor Neuroscience; BA Biology of Human Behavior).

5. PhD-supervision and committees

2007- 2011 Phd thesis D. Hessler: The influence of lip-reading on aphasic comprehension and brain responses. Daily supervisor and Co-promotor.

2010 - 2011	PhD thesis project L. Fernandez. (Northumbria University Newcastle). External supervisor
2011 – 2016	PhD thesis J. Hurkmans: Evaluation of Speech and Music Therapy in Aphasic and apraxic speakers. Daily supervisor and Co-promotor
2011 – to date	PhD thesis project external PhD F. Jalvingh: Verb processing in Alzheimer’s disease. Daily supervisor
2014	Member evaluation committee PhD thesis mw. A. Aerts, Faculty of Medicine and Health Sciences, University of Ghent (Belgium)
2014 - 2021	PhD thesis project J. den Hollander. Diagnosing Apraxia of Speech with EEG. Daily supervisor and second promotor. Date of defense 26-1-2021.
2016- to date	Phd thesis project R. Ossewaarde. Automatic classification of MCI/PPA-patients with language technology. Daily supervisor
2017- to date	Phd thesis project V. Verkhodanova. Using expert knowledge to identify cues indicative of dysarthria in Dutch and Frisian (Campus Fryslan). Supervisor
2017- to date	Phd thesis project J. Jaccobi. Deterioration of Voice and Speech in Individuals with Parkinson's Disease: A Longitudinal Study. Daily supervisor
2017	Member Evaluation committee PhD thesis J. Vonk. Lexical-semantic processing in individuals with dementia. City University of New York (US). External supervisor.
2017	Member Evaluation committee PhD thesis B. Ishkhanyan. Grammar-lexicon distinction in a neurocognitive context. Integrating two theories for assessment. University of Kopenhagen (Denmark).
2019	Member evaluation committee PhD thesis E. Van Setten (University of Groningen) Neurolinguistic profiles of Advanced Readers with Developmental Dyslexia.
2019 – to date	Phd thesis project T. Rebernik. Speech planning and monitoring in Parkinson's disease: a speech motor control perspective. Daily supervisor and second promotor
2020	Member evaluation committee PhD thesis L. van Haaften (Radboud University Nijmegen). Profiling typical and disordered speech production in children using the Computer Articulation Instrument (CAI). Defense 17 December 2020.
2020 – to date	Phd thesis project C. Svaldi. Long-term language impairments in children following posterior fossa surgery: evaluating the linguistic correlates of the cerebellar-cerebral diaschisis hypothesis. First promotor
2020 – to date	Phd thesis project S. Castelli. First promotor
2020 – to date	Phd thesis project E. Ntemou. Linguistic variables affecting action naming under nTMS. First promotor
2020 – to date	Phd thesis project S. Puertas. Eye tracking markers on three developmental dyslexia subtypes (phonological dyslexia, surface dyslexia, letter position dyslexia). Promotor
2020 – to date:	Phd thesis project P. Cuperus. Improving functional communication in people with aphasia using a mobile therapy app. First promotor
2020 – to date:	Phd thesis project D. Meziere. Using eye-tracking to develop an ecologically valid measure of reading comprehension. First promotor

2021: Member evaluation committee Phd thesis E. Cocquyt, Faculty of Medicine and Health Sciences, Universiteit van Gent (België)

At 1-5-2018 I received the Ius Promovendi

6. Grants

- 2004-2006: Translation and adaptation into Frisian of Dutch Diagnostic test material. Principal applicant prof. Y.R.M. Bastiaanse. My contribution: coordinator of the projects and author of the final report. Sponsored by: Revalidatie Friesland, Provincie Friesland, Rijksuniversiteit Groningen, Innovatiefonds Zorgverzekeraar De Friesland, Stichting Het Diakonessenhuis; Fonds De Gavere (in sum €157.000).
- 2008- 2010: Diagnosis and evaluation of therapy in apraxia of speech. My contribution: Principal Investigator (with dr. M. Schönherr). Financed by Stichting Beatrixoordfonds and Stichting Afasie Nederland (Aphasia Foundation Netherlands). (0,4 fte per year).
- 2016-2021: Erasmus Mundus excellent master grant for the European master's in Clinical Linguistics (EMCL+; consortium of universities of Potsdam, Joensuu and Groningen) (€2.837.000). My contribution: I was co-author of the application and fully responsible for the application of 12 extra scholarships for students from targeted countries (€588.000)
- 2019 NWO PhD in the Humanities grant (€ 250,000). Project: Speech planning and monitoring in Parkinson's disease: a speech motor control perspective. PhD student: Teja Rebernik. Co-applicant with prof. M Wieling.
- 2020-2026 Erasmus Mundus excellent master grant for the European master's in Clinical Linguistics (EMCL++; consortium of universities of Ghent, Joensuu (UEF) and Groningen) (€4.424.000). My contribution: I was co-author of the application (with A. Rofes, R. Bastiaanse and A. Pomstra)

7. Research

a. Research topics

- Acquired speech disorders (Apraxia of speech, Hypokinetic dysarthria (Parkinson), Foreign Accent syndrome)
- Verb processing in aphasic and demented speakers
- Development of diagnostic and therapeutic materials for speakers with acquired speech and language disorders

b. Reviewing

- I have reviewed manuscripts for Aphasiology, Brain and Language, Cortex, Neuropsychologia, Journal of Neurolinguistics, Clinical Linguistics and Phonetics, Applied Psycholinguistics, Disability and Rehabilitation, American Journal of Speech-Language Pathology, Linguistics, Behavior Research Methods, Frontiers
- I have reviewed abstracts for Science of Aphasia, RASCAL, TABU-dag, ICPLA
- I have reviewed grant proposals for FWO, the Flemish Organisation for Scientific Research and

NWO, the Dutch Organisation for Scientific Research (several programmes: Zon-Mw; Vernieuwingsimpuls; Rubicon)

c. valorisation

Marieke Kolkman: Buitenlander in eigen land. p 12-13, *Trouw, De Verdieping* 3 January 2015
(A one page coverage of my research to the Foreign Accent Syndrome in a national newspaper)

Peter de Jaeger: Ontwaken met een Duits accent. *De Stentor*, Hart en Ziel, 22 September 2015 (a news-item about my research to the Foreign Accent Syndrome)

Interview met programmamakers Wekker-Wakker (radio 5; omroep Max) 15 February 2016:
Wat is het foreign accent syndrome? (interview on National Radio about the Foreign Accent Syndrome)

Foreign Accent Syndrome spontant snakker et annet språk. 15 februari 2016 *Hvisvokser.com*
(<http://hvisvokser.com/article/foreign-accent-syndrome-spontant-snakker-et-annet-sprk>)
(website item about my research to the Foreign Accent Syndrome)

8. Publications

Orcid ID: <https://orcid.org/0000-0002-0223-1596>

a. International peer reviewed journal publications

Rebernik, T., Jacobi, J., **Jonkers**, R., Noiray, A., & Wieling, M. (2021). A review of data collection practices using electromagnetic articulography. *Laboratory Phonology: Journal of the Association for Laboratory Phonology* 12(1): 6, pp. 1–42. DOI: <https://doi.org/10.5334/labphon.237>

Hollander, J. den, **Jonkers**, R. & Bastiaanse, R. (2020) Identification of speech production Stages in early and late adulthood by using EEG. In: Shtyrov, Y. Y., Myachykov, A., Martín-Luengo, B., Shcherbakova, O. V., eds. (2020). *Brain-Behaviour Interfaces in Linguistic Communication*. Lausanne: Frontiers Media SA. doi: 10.3389/978-2-88966-142-8 (also published in *Frontiers in Human Neuroscience* 2019)

Ossewaarde, R., **Jonkers**, R., Jalvingh, F., & Bastiaanse, R. (2020) Quantifying the Uncertainty of Parameters measured in Spontaneous Speech of Speakers with Dementia. *Journal of Speech, Language, and Hearing Research* 63-7, 2255-2270.

Rofes, A., de Aguiar, V., **Jonkers**, R., Oh, S.J., Dede, G., Sung, J.E. (2020) What Drives Task Performance During Animal Fluency in People With Alzheimer's Disease? *Frontiers in Psychology. Language Sciences*. doi: <https://doi.org/10.3389/fpsyg.2020.01485>

Hollander, J. den, **Jonkers**, R. & Bastiaanse, R. (2019) Identification of speech production Stages in early and late adulthood by using EEG. *Frontiers in Human Neuroscience*. doi: 10.3389/fnhum.2019.00298

Jalvingh, F., Bastiaanse, R., & **Jonkers**, R. (2019). Language Processing in Neurodegenerative Diseases: Semantic, Phonological, and Grammatical Impairments in Alzheimer's Disease, Parkinson's Disease, and Frontotemporal Lobar Degeneration – A Linguistic Overview. *Zeitschrift für Neuropsychologie*, 30(1), 49-62. [https://doi.org/\(...\)24/1016-264X/a000245](https://doi.org/(...)24/1016-264X/a000245)

Paper presented at the Conference of the British Aphasiology Society. Sheffield 19-21 September 1991. (also presented at the Workshop Mapping Problems in Aphasia. Groningen 12-13 April 1991).

Appendix 1: Overview of teaching activities

Teaching 2019-2020

16-17 januari 2020 UEF Neurolinguistic aspects of Aphasia

Teaching 2018-2019

1st term:

Aphasiology MA (MA Linguistics)

14-18 januari 2019 UEF Lexical, phonological and syntactic disorders and Developmental Language disorders (with W. Tops)

2nd term:

Thesis supervision MA Linguistics

Teaching 2017-2018

1st term:

Aphasiology MA (MA Linguistics)

29 januari – 1 februari 2018 UEF

Neurolinguistic aspect of Developmental and Acquired Language Disorders (met W. Tops)

2nd term:

Aphasiology (European Master in Clinical Linguistics)

Thesis and internship supervision MA Linguistics

Teaching 2016-2017

1st term:

Aphasiology MA (MA Linguistics)

Guest lecturer University of Eastern Finland (Joensuu)

23-26 January 2017: Neurolinguistic aspects of aphasia

2nd term:

Aphasiology II (2nd year BA Linguistics)

Language Tests in Clinical Linguistics (with d W. Tops)

Thesis supervision MA Linguistics

Supervision internships BA and MA Linguistic

Teaching 2015-2016

1st term:

Aphasiology MA (MA Linguistics)

2nd term:

Aphasiology II (2nd year BA Linguistics)

Language Tests in Clinical Linguistics (with D. Satoer and W. Tops)

Thesis supervision MA Linguistics

Supervision internships BA and MA Linguistic

Teaching 2014-2015

1st term:

Aphasiology MA (MA Linguistics)
Psycholinguistics 2B (2nd year BA Linguistics)

2nd term:

Aphasiology II (2nd year BA Linguistics)
Thesis supervision MA Linguistics
Supervision internships BA and MA Linguistics
Thesis supervision BA Linguistics

Teaching 2013-2014

1st term

Aphasiology MA (MA Linguistics)
Research Class Neurolinguistics (3rd year BA Linguistics)

Guest lecturer University of Eastern Finland (Joensuu)

27-31 January 2014 Phonological and lexical disorders in adult aphasia

2nd term

Aphasiology II (2nd year BA Linguistics)
Language Tests in Clinical Linguistics (with D. Satoer, W. Tops and B. Maassen)
Thesis supervision MA Linguistics
Supervision internships BA and MA Linguistics
Thesis supervision BA Linguistics

Teaching 2012-2013

1st term

Aphasiology II (2nd year BA Linguistics)
Aphasiology MA (MA Linguistics)
Psycholinguistics I: Language Processing (1st year BA Linguistics)

2nd term

Language Tests in Clinical Linguistics (with D. de Kok and B. Maassen)
Thesis supervision MA Linguistics
Supervision internships BA and MA Linguistics
Thesis supervision BA Linguistics

Teaching 2011-2012

1st term

Neurolinguistics (3rd year BA Linguistics)
Aphasiology MA (MA Linguistics)

Guest lecturer University of Eastern Finland (Joensuu)

23-26 January 2011 Phonological and lexical disorders in adult aphasia

2nd term

Aphasiology II (2nd year BA Linguistics)
Thesis supervision MA Linguistics
Supervision internships MA Linguistics

Teaching 2010-2011

1st term

Language Processing (1st year BA Linguistics)

Tutor course (1st year BA Linguistics)
Neurolinguistics (3rd year BA Linguistics (with L. Stowe)
Aphasiology MA (MA Linguistics)

Guest lecturer University of Eastern Finland (Joensuu)
24-27 January 2011 Phonological and lexical disorders in adult aphasia

2nd term

Language Tests in Clinical Linguistics (with G. Bol, K. Colman and B. Maassen)
Neurolinguistics II (2nd year BA Linguistics; with G. Bol and B. Maassen)
Thesis supervision MA Speech and Language Pathology/ General Linguistics
Supervision internships MA Speech and Language Pathology/ General Linguistics
Thesis supervision BA Linguistics

Teaching 2009-2010

1st term

Language Processing (1st year BA Linguistics)
Neurolinguistics I (1st year BA Linguistics; with K. Colman, G. Bol en B. Maassen)
Neurolinguistics II (2nd year BA Linguistics; with G. Bol and B. Maassen)
Neurolinguistics (3rd year BA Linguistics (with L. Stowe)
Aphasiology MA (MA Linguistics)
Thesis supervision MA EMCL

Guest lecturer University of Eastern Finland
18-21 January 2010 Neurolinguistic Aspects of Aphasia

2nd term

Language Tests in Clinical Linguistics (with G. Bol, K. Colman and B. Maassen)
Thesis supervision MA Speech and Language Pathology/ General Linguistics
Supervision internships MA Speech and Language Pathology/ General Linguistics
Thesis supervision BA Linguistics

Teaching 2008-2009

1st term

Language Processing (1st year BA Linguistics)
Neurolinguistics I (1st year BA Linguistics; with C. Sloftra and W. Tops)
Neurolinguistics II (2nd year BA Linguistics; with C. Slofstra and W. Tops)
Neurolinguistics (3rd year BA Linguistics (with L. Stowe)
Aphasiology MA (MA Linguistics)
Aphasiology (MA-EMCL)

Guest lecturer University of Joensuu (Finland)
19-22 January 2009 Neurolinguistic Aspects of Aphasia

2nd term

Language Tests in Clinical Linguistics (with G. Bol, K. Colman and B. Maassen)
Thesis supervision MA Speech and Language Pathology/ General Linguistics
Supervision internships MA Speech and Language Pathology/ General Linguistics
Thesis supervision BA Linguistics
Capita Selecta Brain and Language (BA Dutch Language and Culture)
Crosslinguistic aspects of Aphasia (MA EMCL; with R. Bastiaanse)

Teaching 2007-2008

1st term

Language Processing (1st year BA General Linguistics)
Aphasiology II (2nd year BA General Linguistics)
Neurolinguistics (3rd year BA General Linguistics (with L. Stowe)
Aphasiology MA (MA General Linguistics)

Guest lecturer University of Joensuu (Finland)
14-18 January 2008 Neurolinguistic Aspects of Aphasia

2nd term

Language Tests in Clinical Linguistics (with C. Slofstra)
Aphasiology I (with R. Bastiaanse)
Thesis supervision MA Speech and Language Pathology/ General Linguistics
Supervision internships MA Speech and Language Pathology/ General Linguistics
Thesis supervision BA General Linguistics
Capita Selecta Brain and Language (BA Dutch Language and Culture)
Neurolinguistic aspects of Aphasia (MA General Linguistics)

Teaching 2006-2007

1st term

Language Processing (1st year BA General Linguistics/
1st year BA Dutch Language and Culture)
Aphasiology II (2nd year BA General Linguistics)
Neurolinguistics (3rd year BA General Linguistics (with L. Stowe)
Aphasiology MA (MA General Linguistics)
Minor Neuro- & Psycholinguistics: Aphasia

Neurolinguistic aspects of aphasia (course at the LOT-Winterschool in Nijmegen)

2nd term

Aphasiology I (with R. Bastiaanse)
Thesis supervision MA Speech and Language Pathology/ General Linguistics
Supervision internships MA Speech and Language Pathology/ General Linguistics
Thesis supervision BA General Linguistics
Capita Selecta Brain and Language (BA Dutch Language and Culture)

Teaching 2005-2006

1st term

Language Processing (1st year BA General Linguistics/
1st year BA Dutch Language and Culture)
Aphasiology II (2nd year BA General Linguistics (with R. Bastiaanse)
Neurolinguistics (3rd year BA General Linguistics (with L. Stowe)
Aphasiology MA (MA General Linguistics)

2nd term

Aphasiology I (with R. Bastiaanse)
Thesis supervision MA Speech and Language Pathology/ General Linguistics
Supervision internships MA Speech and Language Pathology/ General Linguistics
Thesis supervision BA General Linguistics
Capita Selecta Brain and Language (BA Dutch Language and Culture)

Other teaching experience, before 2005
Department of Linguistics

- 1998-1999 Experimental Linguistics I
 1999-2000 Research Class Linguistics (with F.Zwarts and P. Ackema)
 2000-2001 Aphasiology I
 Aphasiology II
 Aphasiology EMCL (with R. Bastiaanse)
 Mental Lexicon
 Research Class Aphasia and Syntax (with E.Ruigendijk)
 Preparation Internship (with E. Ruigendijk)
 Thesis Supervision MA
- 2001-2002 Aphasiology I
 Aphasiology II
 Mental Lexicon
 Research Class Aphasia and Syntax
 Preparation Internship (with D.B. den Ouden)
 Orientation Course Linguistics (with P. Nieuwenhuizen and G. Bol)
 Thesis supervision MA
- 2002-2003 Aphasiology I
 Aphasiology II
 Mental Lexicon
 Research Class Aphasia and Syntax
 Preparation Internship
 Pragmatic aspects of aphasia
 Thesis supervision MA
- 2003-2004 Language Processing
 Aphasiology II (with R. Bastiaanse)
 Neurolinguistics (with L. Stowe)
 Aphasiology MA
 Aphasiology I (with R. Bastiaanse)
 Thesis supervision BA and MA
- 2004-2005 Language Processing
 Aphasiology II (with R. Bastiaanse)
 Aphasiology MA
 Aphasiology I (met R. Bastiaanse)
 Experimental Linguistics I
 Thesis supervision BA and MA
 Supervision Internships

Department of Dutch Language and Culture

- 1994-1995 Psycholinguistics II (with S. van der Wal and C. Koster)
 1995-1996 History of aphasia (with U. Moltmaker-Osinga)
 Psycholinguistics II (with S. van der Wal and C. Koster)
 1996-1997 History of aphasia (with D.B. den Ouden)
 1999-2000 Psycholinguistics II (with M. Haverkort)
 2000-2001 Psycholinguistics II (with M. Haverkort)
 Psycholinguistiek II MA (with M. Haverkort)
 2001-2002 Psycholinguistics II (with B. Hollebrandse)
 Psycholinguistics II MA
 2002-2003 Psycholinguistics II (with B. Hollebrandse)
 Psycholinguistics II MA
 2003-2004 Capita selecta Linguistics, Brain and Language
 (with D.B. den Ouden)
 2004-2005 Capita selecta Linguistics, Brain and Language
 (with D.B. den Ouden)

Department of Speech Therapy, Hanze University Groningen

1998-1999	Dyslexia
1999-2000	Dyslexia
2000-2001	Dyslexia

Appendix 2: List of supervised MA-Theses

1. Janneke Louwerse (2001). *Werkwoordproductie van patiënten met een Afasie van Broca. Over de invloed van de canonieke woordvolgorde op het oproepen van transitieve werkwoorden door Nederlands- en Engelstalige patiënten.*
2. Mirjam Floor (2002) *Transcorticale Sensorische Afasie. Een casestudie.*
3. Hannelore van der Velden (2002) *De Holversmittest voor zinsbegrip bij afasie: samenstelling van een verkorte versie en een inferentie-versie*
4. Marieke van der Feen (2002) *Paragrammatisme bij amnestische afasie en afasie van Wernicke.*
5. Christian Jongedijk (2002) *Kunnen zonder kennen. Pragmatische stoornissen bij afasiepatiënten.*
6. Renate Meijer (2002) *Een kwantitatieve analyse van de productie van patiënten met een afasie van Broca*
7. Marlous Geraeds (2003) *Optionele verplaatsing van het hulpwerkwoord en het voltooid deelwoord bij Limburgse personen met een afasie van Broca.*
8. Stephanie Rasche (2003) *Das Auditive Sprachverständnis Programm (ASP). Een dutse vertaling van het ATP-deel 4*
9. Christien Prak (2003) *Woordvindingsproblemen bij amnestische afasiepatiënten*
10. Janneke Spijkers (2004) *Het Visuele Cue Programma. Een voorstel voor de aanpassing van inhoud en vorm.*
11. Elserieke Hilbrandie- van Hooijdonk (2004) *Syntactische problemen in taalbegrip en taalproductie bij afasie van Broca: een onderzoek met behulp van de A.P.S.O.C.-test*
12. Karolina Haan (2004) *Acute afasie in de revalidatiefase. Begrip van werkwoorden en zelfstandige naamwoorden & productie van werkwoorden en zelfstandige naamwoorden.*
13. Francis Wouters (2005) *Fonologische perceptiestoornissen bij afasie en de invloed van het Lexicon: 'een Case-studie'*
14. Marith Kampman (2005) *Non-verbale communicatie van afasiepatiënten*
15. Sharon Borkes (2006) *Therapie voor woordvindingsproblemen bij laagfrequente woorden: een casestudie*
16. Dirk Berghuis (2006) *Sporen en Verplaatsing. Agrammatime en het begrijpen en produceren van zinnen*
17. Iemkje de Vries (2006) *De relatie tussen Nederlandse en Friese spontane taal bij Friestalige afasiepatiënten*
18. Maaïke Haenen (2006) *"Een trop, twee..." versus "Een groot blad, een klein...". Twee casestudies naar de productie van derivatieve en inflectieve suffixen door agrammatische afasiepatiënten*
19. Gery Hofstede (2006) *Verbale apraxie. Ontwikkeling van een testinstrument*
20. Anna Hüttmann (2006) *De Semantische Associatie Test voor werkwoorden (SAT-w)*
21. Annelies de Bruin (2006) *Tempusstoornissen bij afasiepatiënten. Een vergelijking tussen tempusproductie en tempusbegrip van regelmatige werkwoorden*
22. Marika Kamphuis (2006) *Invloed van de ernst van afasie op ondersteunde functionele communicatie. Een linguïstische benadering*
23. Louisa Zijlstra (2006) *Verb movement in sentence production of Dutch patients with Wernicke's aphasia*
24. Lizeth Van Keulen (2007) *De test voor Verzwegen Betekenis: Het verwerken van impliciete taal. Linguïstisch infereren met rechtshemisferisch hersenletsel*
25. Femke de Jong (2007) *Ontwikkeling en toepassing van ALLOC-scores van Friestalige afasiepatiënten. Vergelijking van Nederlands- en Friestalige testcores van tweetalige afasiepatiënten*
26. Ilona Damen (2007) *Werkwoordbegrip en zelfstandig naamwoordbegrip bij afasie; een onderzoek in de acute fase*
27. Carolien Huizenga (2007) *"What's in a word?" Spraakanalyse bij patiënten met verbale apraxie*
28. Anneke Slomp (2008) *"Lexicale en morfosyntactische specten van de spontane en semi-spontane taal van afasiepatiënten en een gezonde controlegroep – een (semi)-spontane taalanalyse"*
29. Nienke Splinter (2008) *Afasie: het produceren van samenstellingen*
30. Petra Lemmers (2008) *Verzwegen Taalproblemen in de acute fase*

31. Petra Sloot (2008) *Benoemen van acties door Alzheimerpatiënten. Effect van instrumentaliteit en naamsverwantschap*
32. Wim Tops (2008) *Psychogeen agrammatisme: Een geval van selectief expressief agrammatisme in de mondelinge taal*
33. Emma Pelgröm (2008) *Interactie tussen visuele en talige verwerkingsprocessen*
34. Carolien de Vries (2008) *Primaire progressieve afasie: Spontane taalanalyse*
35. Linda Horsels (2008) *Zinsbouw bij de ziekte van Alzheimer*
36. Leonore Meilof (2009) *Het verbale apraxie onderzoek. Een onderzoek naar het (differentiaal diagnostische vermogen van het testinstrument*
37. Tineke den Exter (2009) *Het verbale apraxie onderzoek. – Testontwikkeling en betrouwbaarheidsonderzoek*
38. Roelie Sijbinga (2009) *Verbale Apraxie. Ontwikkeling van een diagnostisch instrument*
39. Marleen de Vries (2009) *Codewisseling door tweetalige afasiepatiënten*
40. Sofie van Wessel (met A. Lorenz) (2009) *Verb production and Verb morphology. Research in young children at risk for dyslexia and late talkers*
41. Joanneke den Hengel (met A. Lorenz) (2009) *Inflectional morphology in acquired dyslexia. The processing of regular and irregular verbs in three phonological dyslexic patients*
42. Fennetta van der Scheer (2009) *De invloed van gelacht, leeftijd en opleidingsniveau op verschillende kwantitatieve maten binnen een spontane taalsample*
43. Rimke Groenewold (2009) *Paragrammatisme in spontane taal bij patiënten met een vloeiende afasie*
44. Svenja Fromann (met. R. van de Vijver) (2010) *The production of neologisms in patients with aphasia: Can Optimality Theory account for it*
45. Trudy Krajenbrink (2010) *Access to orthographic forms in letter-by-letter reading: Evidence for one underlying reading system*
46. Helene Killmer (2010) *Doubles*
47. Annick Siemonsma (2010) *Verbale apraxie: een non-lineaire benadering van taalproductie*
48. Saskia Stastra (2010) *Tweetaligheid bij de ziekte van Alzheimer: Onderzoek naar de lexicale, fonologische en morfosyntactische vaardigheden van tweetalige Alzheimerpatiënten op basis van spontane-taalanalyse*
49. Paula Oosting (2010) *Het stellen van de differentiaaldiagnose tussen apraxie van de spraak, conductieafasie en dysartrie aan de hand van initiatiekenmerken bij de diadochokinesetaak*
50. Anke Naaijer (2010) *Diadochokinese. Onderzoek naar het in kaart brengen van de problemen bij verbale apraxie.*
51. Eva van der Meij (2010) *Afasie of niet? De betrouwbaarheid van de verkorte AAT bij Turkse en Marokkaanse Nederlanders.*
52. Floor Sieverink (2010) *Woordvindingsproblemen bij de ziekte van Alzheimer. De invloed van het aanbieden van cues.*
53. Klaudia Sentker (2010) *Van zingen naar spreken. De Melodic Intonation Therapy bij patiënten met afasie en/of verbale apraxie.*
54. Line Atsma (2010) *Verbale apraxie in diverse contexten.*
55. Nynke Broersma (2010) *Verbale diadochokinese bij verbale apraxie. Analyse van foutenpatronen.*
