Population Research Centre, University of Groningen,
Landleven 1, 9700 AD Groningen, The Netherlands

Research interests

Partnership dynamics; family complexity; labour market participation; internal migration; residential mobility

University education

- 2022 **PhD** | University of Groningen (UG), Population Research Centre (PRC)
(4 July) *Project:* Family ties that bind: A new view of internal migration, immobility and labour-market outcomes (FamilyTies). *Supervisors:* prof. dr. Clara H. Mulder, prof. dr. Helga. A.G. de Valk and dr. Viktor A. Venhorst. Pregnancy/maternity leave from December 2020 - March 2021; 0.8 fte appointment since then.
- 2017 **European Doctoral School of Demography** | Max Planck Institute for Demographic Research / Sapienza University
11-month post-graduate programme, under the auspices of the European Association for Population Studies. Courses in causes and consequences of demographic change, population data, statistical and mathematical demography, modelling, simulation, and forecasting.
- 2016 **Research Master Regional Studies: Spaces and Places, Analysis and Intervention (English)** | UG
Average grade: 8.6 out of 10 (cum laude/with honours).
Specialisation: Population Studies and Economic Geography
Thesis: Pathways to commitment in living-apart-together relationships in the Netherlands: A study on satisfaction, alternatives, investments and social support.
Service: Board of Appeal for Examinations ('14-'16); Education Committee ('14-'15); Advisory Committee Stichting Pro Geo ('14-'16); Almanac Committee ('14-'15).
- 2013 **Specialisation modules bachelor – Erasmus exchange** | University of Reading
- 2014 **Bachelor Human Geography and Urban and Regional Planning (Dutch)** | UG
Average grade: 7.9 out of 10.
Thesis: Location factors for ICT-firms in the Netherlands. Locational differences between ICT service firms and software companies.
Service: Faculty Council ('12-'13); board of Stichting Pro Geo ('12-'13).

Professional and research experience

- present **Assistant Professor Social Demography** | University of Groningen (UG), Population Research Centre (PRC)
- 2022-2023 **Postdoctoral researcher** (0.8 fte) | University of Groningen (UG), Population Research Centre (PRC)
Project: FamilyTies, focussing on the topic of labour-market outcomes of family-motivated migration.
- 2016 **United Nations Intern & Coordinator Intern Board** | Economic Commission for Europe, Population Unit
Drafting a policy brief on migration and old age, analysing Generations and Gender Survey data on rural-urban differences in care involvement, representative of UNECE interns engaged with UN institutions
- 2014-2015 **Student-assistant** | UG, Faculty of Spatial Sciences
Teaching assistant (see "Teaching") and involved in the following research projects:
- ERC project FamilyTies (prof. dr. C. H. Mulder) – literature review for ERC advanced grant proposal
 - NWO project "Smoking, alcohol and obesity - ingredients for improved and robust mortality projections" (prof. dr. F. Janssen) – literature and data management, creating graphs and GIS maps

- Research project on couples' migration to the countryside in the Netherlands (prof. dr. T. Haartsen & prof. dr. A. Stockdale) – conducting, transcribing and analysing 24 in-depth interviews
- PhD project on everyday geographies of subjective wellbeing in older age (dr. L. Douma) – transcribing interviews, literature search

Grants & awards

2016	€500 NIDI-NVD Master Thesis Award
2016	€2500 GUF-100 prize for best student of the faculty
2016	Student-assistant position for most excellent Research Master student
2016	Award for the best keynote speech at the Graduate Research Day
2016	€1000 travel grant for excellent students provided by The Groningen University Fund (GUF)
2013	€300 travel grant for study abroad at University of Reading, provided by GUF

Teaching

Training: University Teaching Qualification (present); Start to Teach (2017); Supervising Thesis Students (2018)

Lectures & tutorials

2023	Methods for Academic Research (BA) – teach tutorial classes
2022	Coordinator module Migration, Families & Households (MA)
2021-2022	Guest lecture Family Complexity and Migration in module People, Place & Culture in a Global Context (BA)
2019-2021	Lecture Spatial Mobility of Parents and Children in module Migration, Families & Households (MA)
2018-2020	Module Advanced Statistical Analysis (MA) – teach computer tutorials, develop assignments
2018	Lecture Academic Argumentation in module Introduction to Academic Research (BA)
2017-2019	Lecture Population Dynamics in the Netherlands in module Spatial Problems & Spatial Policies (BA)
2017-2019	Workshop Style & Ethics in Paper Writing (MA)
2017-2019	Workshop Presenting, Giving and Receiving Feedback (MA)
2015	Module Master Thesis I: Research Process & Qualitative Workshop – teach interactive workshops (MA)
2014-2015	Modules Statistics 1 and Statistics 2 (BA) – teach tutorial classes

Supervision & assessment

2018-2020	Module Advanced Statistical Analysis (MA) – assess assignments
2019	Module Migration, Families & Households (MA) – develop and grade an exam question
2018	Supervision of Master Thesis titled “Living apart together in the Netherlands and changes in their relationship satisfaction; Does life stage matter?” (MA)
2017-2018	Supervision of three papers for the module Spatial Problems and Spatial Policies (BA)
2015	Module Master thesis I: Research Process & Qualitative Workshop (MA) – supervising students in writing a research proposal, assessing assignments
2014	Module Healthy Ageing (MA) – assessing qualitative research assignments

Further training

2019	Marie Jahoda Summer School on Divorce and children (Vienna)
2019	Essex Summer School in Social Science Data Analysis, Multilevel Models: Practical Applications (Essex)
2018	Summer School on Longitudinal and Life Course Research (Milan)

Research stays

- 2018/2019 Visiting scholar at Aalborg University, Denmark (host: dr. L. Tølbøll) (6 weeks)
- 2018 Visiting scholar at Statistics Netherlands, The Hague (host: N. Kooiman) (3 weeks)
- 2015 Visiting student at University of Cologne, Germany (hosts: dr. S. Krapf & prof. dr. M. Wagner) (1 week)

Invited academic presentations & lectures

- 2022 Invited talk for the SocMap research group Aalborg University, Denmark: "Moving union: Union formation in a context of family complexities"
- 2020 Invited talk at the ESRC Centre for Population Change seminar series, Scotland: "Migration for co-residence: the role of family ties and family complexity".
- 2018 Invited lecture "Internal Migration, Immobility and the Family" at the University of Aalborg Copenhagen (MA level)

Media coverage and outreach

- 2022 Interview Linda.nl "Vorige relaties en kinderen van flinke invloed op nieuwe liefde"
- 2019 Psychologie Magazine (edition 6) feature on living-apart-together, referencing my Demos publication
- 2018 BNR Ochtendspits radio interview about Demos publication
- 2018 Population Europe PopDigest: "How Does Commitment Work in Living-Apart-Together Partnerships?"
- 2017 Demotrends.org blog post: "Commitment in 'Living-apart-together' (LAT) relationships: Less is more?"

Academic service & memberships

Board member Dutch Demographic Society (present); chair of organising committee Dutch Demography Day (present); member of Inter-university Working Group on Social Inequality and Life Courses (ISOL, present); local organising committee European Population Conference (2022); reviewer for Comparative Population Studies (2022), Demographic Research (2020), Journal of Family Studies (2020), Journal of Economic and Human Geography (2022) and Journal of Educational Gerontology (2023)

Conference contributions

Oral presentations at Divorce Conference (2020), Dutch Demography Week (2020), Nordic Demographic Symposium (2019), British Society of Population Studies Conference (2018), European Population Conference (2018), Dutch Demography Day (2018; 2017) and PartnerLife Conference (2017).

Poster presentations at European Population Conference (2022), Population Association of America Conference (2017), Dutch Demography Day (2015).

Skills

Computing Stata, SPSS, R, Python (basic), MLwiN (basic), ArcGIS (basic)

Working papers

Van der Wiel, R. (presented at Divorce Conference 2020 and DDW 2020). *Single mothers' labour market position and the interplay between repartnering and migration*. To be submitted to an international scientific journal.
