## Biography

---

Siebrich de Vries works as an assistant professor at the University of Groningen and as a professor of Didactics at NHL Stenden University of Applied Sciences in the Netherlands. She studied French Literature and Linguistics and Applied Linguistics at the University of Groningen and proceeded to work as a French teacher at various schools for secondary and higher education in the northern region of the Netherlands. In 1991 she joined the University of Groningen, first as a subject pedagogy teacher educator for French, and later as a project manager in the field of teacher professional development in secondary and higher education. In 2014 she got her PhD and in her dissertation she studied the relationship between teachers' educational beliefs and their participation in professionalization activities. Her current research and other professional activities in teacher education and in schools are all related to the implementation of Lesson Study in the Dutch educational context.

## Professional preparation

---

2014	PhD, University of Groningen
1988	MA Applied Linguistics (cum laude), University of Groningen
1988	MA French Literature and Linguistics, University of Groningen
